

Transfer-in Program

Our Transfer-in Program (T.I.P.) will help pay the transfer fees that your clients may incur when they transfer their accounts to B2B Bank Dealer Services (minimum of 25 accounts required).

B2B Bank Dealer Services will cover the following transfer costs for clients:

\$175.00 + applicable taxes	For the primary registered account and/or for each standalone non-registered account
\$50.00 + applicable taxes	For each linked registered and non-registered account
\$25.00 + applicable taxes	For each Tax-Free Savings Account (TFSA)

Plus: In addition to the financial support, B2B Bank Dealer Services provides a fast and efficient transfer process of your clients' assets and accounts. Let us help you spend less time on administrative tasks so you can better serve your clients.

EXAMPLE:

Transferring multiple client accounts¹:

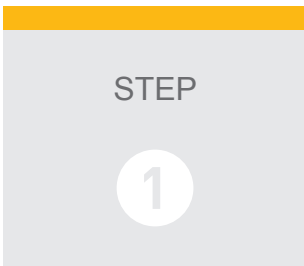

A client has multiple accounts at different financial institutions. He is looking to consolidate his accounts to a nominee platform to benefit from: a single application, single transfer form, consolidated statements, single RRIF payments and online access to his accounts.
