Account Agreement

Throughout this Account Agreement, the terms "I", "me" and "my" mean the B2B Bank Financial Services Inc. Retirement Plan Account holder. In consideration of B2B Trustco (the "Trustee") and B2B Bank Financial Services Inc. ("B2BBFSI") accepting this account, I acknowledge and agree that:

a) I have engaged my Dealer/advisor as my agent. B2BBFSI is entitled to accept and act on any notice, authorization or other communication including by electronic transmission and telephone that it believes in good faith to be given by me or on my behalf by an individual or entity acting (or representing that it acts) in connection with this account as my Dealer or my advisor or on behalf of my Dealer or my advisor. B2BBFSI is under no obligation to verify that my Dealer or my advisor or any individual or entity acting (or representing that it acts) is properly authorized to act as my agent or is otherwise authorized to act on my behalf.

b) My Dealer, B2BBFSI and the Trustee have different roles and responsibilities. I have read and I understand and accept the roles and responsibilities outlined below:

Role of My Advisor

My advisor is responsible for working with me to understand and help me achieve my investment objectives by providing me with investment advice.

Role of My Dealer

Canadian securities regulations require that my advisor work under the authority of a dealer. My Dealer (the Introducing Dealer) and B2BBFSI have entered into an Introducing/Carrying Dealer Arrangement. **My Dealer is responsible for the opening and approval of new accounts and for supervising my advisor including ensuring that investments and trading activity in my account are suitable for me.**

Role of B2BBFSI

B2BBFSI, as the Carrying Dealer on this account, is responsible for trade execution and for settling trades (both of which my Dealer may do in certain circumstances) and custody of my cash and my securities. My investments are held by or in the name of B2BBFSI with other qualified custodians. To protect my investments, fully paid investments are segregated from and cannot be used in the normal course of B2BBFSI's business. B2BBFSI is also responsible for issuing account statements and trade confirmations and for most tax reporting. Nevertheless, for mutual fund transactions, B2BBFSI relies on the manager of the mutual fund to issue trade confirmations as permitted by Canadian Investment Regulatory Organization (CIRO) Rules.

B2BBFSI does not give investment advice, does not determine the suitability of my investments and is not responsible for and does not supervise any investment advice given to me by my advisor or my Dealer. Also, B2BBFSI is under no duty to evaluate the appropriateness, accuracy or quality of any instructions received from me, my advisor, my Dealer or my employer for group accounts.

B2BBFSI may pay a portion of its fees to my Dealer and my Dealer may pay a portion of its fees to B2BBFSI. Fees for carrying dealer services and for the trustee services B2BBFSI arranges to be provided by the Trustee are paid by me in accordance with the B2BBFSI Fee Schedule and/or are paid by my Dealer.

B2BBFSI is responsible for and maintains in its name trust accounts established for the purpose of holding cash received from me and all cheques received from me shall be made payable to B2BBFSI except in circumstances where my Dealer is permitted by securities regulations to operate a trust account.

Role of the Trustee

The Trustee is the trustee of your registered plans. The Declaration of Trust included in the registered plan application form and in the account opening mailing is the contract governing any registered plans. The Trustee has appointed B2BBFSI as its agent, and may appoint other agents, to provide services to my registered plans in compliance with the Declaration of Trust.

c) The Trustee and/or B2BBFSI have the right to reject any of my instructions, or to sell any securities in this account for legal, regulatory or eligibility reasons.

d) I am responsible for all commissions payable in respect of all trades in this account.

e) My fixed income trades are valid until the end of the day, unless otherwise specified. I acknowledge that I am responsible for all trades placed by me, my Dealer or my advisor and I must pay for the trade at the time the trade is placed.

f) B2BBFSI will provide me with the applicable Account Fee Schedule upon their opening of this account. I will have up to 30 days from the date of account opening by B2BBFSI to close this account without being charged the applicable fees as outlined in the Account Fee Schedule. For its annual fee, B2BBFSI provides various account administration services, including custody of securities, maintenance of accounting records, collecting and remitting income and issuing statements.

g) I will pay the Trustee and/or B2BBFSI any amounts owing to them and any fees as outlined in the Account Fee Schedule. In addition, the Trustee and/or B2BBFSI can sell securities in this account or otherwise deduct from this account any amounts owing to them.

h) B2BBFSI may collect the annual and/or negotiated fee from the investments in my account. The fees will be collected based on the investments held in my account. B2BBFSI has established a hierarchy of investments for collecting fees. The hierarchy is as follows where the fee will be collected from the named investment in ascending order:

(i) Cash
(ii) Money Maximizer
(iii) B2B Bank High Interest Investment Account
(iv) Front-end money market funds/t-bill funds
(v) Other front-end mutual funds
(vi) Deferred sales charge money market funds/t-bill funds
(vii) Other deferred sales charge mutual funds
(viii) Front-end money market funds/t-bill funds (non-electronic)
(ix) Other front-end mutual funds (non-electronic)
(x) Deferred sales charge money market funds/t-bill funds (non-electronic)
(xi) Other deferred sales charge mutual funds (non-electronic)
(xii) Front-end asset allocation mutual funds/dollar cost averaging mutual funds
(xiii) Front-end capped funds
(xiv) Deferred sales charge asset allocation funds/dollar cost averaging mutual funds
(xv) Deferred sales charge capped funds
(xvi) Hedge funds, limited partnerships and note structured mutual funds/other mutual funds not easily redeemable
(xvii) Labour-sponsored mutual funds
(xviii) Other mutual fund investments including exchange-traded funds
(xix) Other investments

i) I will deliver any securities that I sell to B2BBFSI promptly if not held by B2BBFSI. If I do not, B2BBFSI may purchase the security at my expense.

j) I will notify B2BBFSI in writing about any errors or omissions within the time limits specified on confirmations, statements or other notices.

k) Each of B2BBFSI and my Dealer have the right and I hereby authorize each of them to conduct a credit check or obtain a credit report or credit file with respect to me and my business, if applicable, for the purposes of providing services to me and to verify my identity. Each of B2BBFSI and my Dealer also have the right to use banking information, including without limitation information with respect to any deposit account I may have, in connection with the provision of services to me.

l) I will advise B2BBFSI of any changes to this account in writing.

m) I acknowledge that any update to my personal information will apply to all accounts in my client record.

n) B2BBFSI may, from time to time, amend the terms of this Account Agreement, including introducing a new fee or amending the fees outlined in the Account Fee Schedule, after giving me no less than 60 days notice of the new or amended fees.

o) All transactions in this account are subject to the rules and regulations of the securities industry, as applicable, and the laws of the Province of Ontario. If I am a resident of the Province of Quebec, B2BBFSI agrees to submit to the laws applicable in Quebec and to Quebec courts in the event of litigation between me and B2BBFSI.

p) B2BBFSI will act as principal in fixed income transactions. For trades in fixed income securities, for example, Canadian issued bonds, the purchase price includes a mark-up and the sale price includes a mark-down. For purchases, this mark-up will reduce the yield that I receive. For sells, this mark-down will reduce the sale proceeds that I receive.

This mark-up or mark-down represents compensation to B2BBFSI and/or my Dealer for providing me with access to Canadian fixed income markets. The mark-up or mark-down may be negotiable with my Dealer. B2BBFSI has established maximum mark-ups and mark-downs. The maximum is calculated as a percentage of the par value and will vary depending on the term to maturity and the issuer of the debt security.

q) B2BBFSI will act as principal in currency conversions. The currency of the account(s) shall be as selected by me on the application for this account provided if I fail to make a selection or no selection option is available on the application, the currency of this account shall be Canadian dollars. Currency conversions will occur on trade date for any security that is denominated in a currency other than the currency of this account. Currency conversions will also occur on deposits to this account and will include any conversions required as a result of income or interest derived from securities denominated in a currency other than the currency of this account. Currency conversions will take place at rates determined by B2BBFSI, or others engaged by B2BBFSI, and each may earn revenue, in addition to applicable commissions, based on the difference between the bid/ask rates for the currency and B2BBFSI, or others engaged by B2BBFSI, cost of the currency. Where a transaction with a mutual fund involves a currency conversion, the mutual fund company may charge me for the conversion.

r) I acknowledge and agree that no transactions, other than the initial deposit, may be carried out in this account until the identification of the persons authorized to give instructions in respect of this account has been completed by my Dealer.

s) If the language preference selected in the application is English, the parties hereby acknowledge that they have expressly required this Account Agreement and all notices, statements of account and other documents required or permitted to be given or entered into pursuant hereto to be drawn up in the English language only. Si la préférence linguistique choisie dans la demande est l'anglais, les parties reconnaissent avoir expressément demandé que la présente convention de compte ainsi que tout avis, tout état de compte et tout autre document à être ou pouvant être donné ou conclu en vertu des dispositions des présentes, soient rédigés en langue anglaise seulement.

Retirement Savings Plan Declaration of Trust

B2B Trustco (the "Trustee") is a trust company incorporated under the laws of Canada with its head office located at 199 Bay Street, Suite 600 PO Box 279 STN Commerce Court Toronto ON M5L 0A2. You are the applicant/annuitant as defined in the Income Tax Act, named in the B2B Bank Financial Services Inc. Account Application ("your Application"). If you have selected an RSP, LRSP, LIRA or RLSP as a type of account on your Application, the Trustee will act as the trustee of a B2B Bank Financial Services Inc. Retirement Savings Plan ("your Plan") for you on the following terms and conditions.

1. **Acceptance and Registration:** If the Trustee agrees to act as trustee of your Plan, it will apply to register your Plan under the Income Tax Act (Canada) (the "Tax Act") as a registered retirement savings plan ("RRSP"). You will be bound by the terms and conditions imposed on your Plan by all applicable legislation. If the Trustee declines to act as trustee, you or a Dealer (as defined below) will be notified and any amounts received by the Trustee as contributions will be returned.
2. **Purpose:** The Trustee will hold contributions accepted by it for your Plan, investments made with those amounts and any income and capital gains realized in respect of those investments in trust for the purpose of providing you with a retirement income in accordance with the Tax Act.
3. **Dealer:** In this declaration, a "Dealer" refers to an individual or entity acting (or representing that it acts) in connection with your Plan as your investment advisor, broker or dealer, or on behalf of your investment advisor, broker or dealer. You acknowledge that a Dealer is your agent and when acting (or representing that it acts) as a Dealer is not the agent of the Trustee or any of its affiliates. The Trustee is entitled to accept and act on any notice, authorization or other communication that it believes in good faith to be given by you or a Dealer on your behalf. The Trustee is under no obligation to verify that a Dealer is properly authorized to act as your agent or is otherwise authorized to act on your behalf.
4. **Your Responsibility:** You are responsible for:
   (a) selecting investments for your Plan and assessing the merits of those investments, obtaining appropriate advice in respect of these matters or authorizing a Dealer to do these things on your behalf;
   (b) ensuring that contributions to your Plan do not exceed the maximum contribution limits permitted by the Tax Act;
   (c) ensuring that the investments held in your Plan are at all times qualified investments for your Plan under the Tax Act and immediately notifying the Trustee if an investment held in your Plan is or becomes a non-qualified investment for your Plan under the Tax Act;
   (d) providing information to the Trustee relevant to whether an investment held is a non-qualified investment under the Tax Act;
   (e) providing the Trustee, upon request, with the current fair market value of any investment held in your Plan for which there is no published market price.

   You acknowledge and accept responsibility for these matters and undertake to act in the best interest of your Plan. You confirm that the Trustee is not responsible for your failure to comply with any of these matters or for any related loss in the value of your Plan. You confirm that the Trustee is not responsible for any related taxes, interest or penalties imposed on you or your Plan, except for those taxes, interest and penalties, if any, imposed on the Trustee by the Tax Act that are not reimbursable to the Trustee from your Plan under the Tax Act. You acknowledge that a Dealer or any other person from whom you obtain investment, tax or other advice is your agent and when acting (or representing that it acts) as a Dealer or your advisor is not an agent of the Trustee or the agent of any of the Trustee's affiliates. You will take all necessary measures to immediately liquidate any non-qualified investment under the Tax Act, and in the alternative, hereby authorize the Trustee to liquidate, or to give instructions to any other party to liquidate, any non-qualified investments under the Tax Act, but in no event shall the Trustee be obligated to liquidate or to give instructions to liquidate except as specifically authorized by you in writing.
5. **Trustee's Responsibility:** The Trustee is ultimately responsible for the administration of your Plan. The Trustee is not authorized to select investments for your Plan and will not assess the merits of any investment selected by you or a Dealer. The Trustee is not responsible for providing any investment, tax or other advice to you or a Dealer; nor is it responsible for any advice that you obtain from a Dealer or any other source. Except for those taxes, interest and penalties imposed on the Trustee by the Tax Act that are not

reimbursable to the Trustee from your Plan under the Tax Act, if any, and notwithstanding any other provision of this declaration, the Trustee shall not be liable for any taxes, interest and penalties suffered as a result of any act done by it in reliance on your authority, the authority of a Dealer or the authority of your agent or legal representatives. Notwithstanding any other provision of this declaration, the Trustee shall not be liable for any loss suffered as a result of any act done by it in reliance on your authority, the authority of a Dealer or the authority of your agent or legal representatives. The Trustee is under no obligation to verify that any person is properly authorized to act as your Dealer, agent or legal representative or is otherwise authorized to act on your behalf.

6. **Contributions to your Plan:** You or, where applicable, your spouse may make contributions to your Plan. The Trustee will also accept contributions by way of a transfer to your Plan from any source permitted by the Tax Act from time to time. The Trustee may accept or for any reason refuse to accept all or any portion of a contribution or transfer of cash, securities or other investments to your Plan. No contribution or transfer will be accepted after December 31 of the year in which you reach the maximum age for maturity specified by the Tax Act.
7. **Investments:**
   (a) The Trustee may accept and act on any investment instructions that it believes in good faith to be given by you or a Dealer on your behalf.
   (b) The assets of your Plan will be invested and reinvested from time to time according to your investment instructions or those of a Dealer unless the proposed investment does not comply with policies and requirements imposed by the Trustee from time to time.
   (c) The Trustee is not authorized to select investments for your Plan and will not assess the merits of the investments selected by you or a Dealer.
   (d) In selecting investments for your Plan, you will not be limited to those investments authorized by legislation governing the investment of property held in trust. However, you may be limited by policies and requirements imposed by us from time to time, such as the requirement to provide documentation and the requirement to comply with those policies and procedures currently imposed in connection with securities held in your Plan and the requirement to provide information concerning whether an investment held is a non-qualified investment under the Tax Act.
   (e) Notwithstanding any other provision in this declaration, the Trustee may for any reason refuse to act on any investment instruction, in which case you or a Dealer will be notified, and the Trustee will not be liable for any resulting loss.
   (f) Unless the Trustee refuses to act on your investment instructions, it will execute any purchase or sale of an investment after receiving your investment instructions together with all other properly completed documentation requested by the Trustee, at the market or sale price in effect on the day the transaction is executed. Any loss or gain resulting from errors made by the Trustee, its officers, employees or agents in the execution of investment instructions for your Plan will be for the Trustee's account.
   (g) The Trustee is authorized to make any financial arrangements that are required, necessary or appropriate to enable it to settle trades for your Plan according to your investment instructions or those of a Dealer.
   (h) In the absence of satisfactory investment instructions, cash received by the Trustee in connection with your Plan will be converted into the currency denomination of your Plan and will be invested in an interest-bearing cash deposit as part of the Trustee's guaranteed funds. The Trustee will credit your Plan with interest, as calculated by the Trustee, at the rate published by it from time to time for such deposits. Any interest in excess of the published rate will be for the Trustee's account and the Trustee may pay a portion of this excess to any agent that it appoints to provide services in connection with your Plan. Interest will not be paid to your Plan unless interest earned on such deposits is more than the specified minimums published by the Trustee or B2B Bank Financial Services Inc. (the "Administrator") from time to time.
   (i) If it is necessary for cash or other assets held in your Plan to be converted to another currency, the Trustee, its affiliate, its agent or a person engaged by the Trustee may act as principal on its own behalf and not on your behalf to convert the currency at the rate established by it for the relevant conversion date. In addition to commissions that may be charged for this service, any revenue earned by the Trustee or other service provider based on the difference between the applicable bid/ask rates and its cost of currency will be for the account of the Trustee or other service provider.
8. **Withdrawals and Refunds:** Following receipt of satisfactory instructions from you or a Dealer, the Trustee will make a payment from your Plan to: (a) you or your spouse, as applicable, to reduce taxes otherwise payable under Part X.1 of the Tax Act in respect of over-contributions to RRSPs or under part XI.01 of the Tax Act; or (b) you. If the value of your Plan is less than $500 or substantially all of the assets in your Plan are illiquid (as determined by the Trustee), the Trustee may make a payment to you from your Plan equal to the value of your Plan or transfer the illiquid assets to you from your Plan. The Trustee may transfer or realize any investment of your Plan selected by it for the purpose of making a payment to you or your spouse and will not be liable for any resulting loss. Payments will be made net of all proper charges including tax required to be withheld. If your Plan does not have sufficient cash to pay these charges, the Trustee will be entitled to require you to pay these charges.
9. **Transfers from your Plan:** Following receipt of satisfactory instructions from you or a Dealer, the Trustee will transfer all or part of the assets of your Plan (less all proper charges) to the issuer or agent of the issuer of an RRSP or a registered retirement income fund ("RRIF"), as instructed. If the Trustee receives instructions to transfer some of the assets of your Plan, it may request instructions to transfer all the assets of your Plan and may delay the transfer until after it receives the requested instructions. If the Trustee has not received the requested instructions within 30 days of its request or if the issuer of the recipient plan refuses to accept the transfer of any assets of your Plan, the assets that have not been transferred may, at the option of the Trustee, be transferred or paid to you (less taxes required to be withheld and any other proper charges). The Trustee will make an effort to provide the issuer of any recipient plan with all relevant information in its possession. The Trustee will make an effort to sell or transfer specific investments of your Plan to affect the transfer as instructed. In the absence of satisfactory instructions, the Trustee may sell or transfer any investments of your Plan selected by it to effect the transfer and will not be liable for any resulting loss. The transfer of assets will be made subject to any restrictions under the Tax Act or the terms and conditions of the investments of your Plan.
10. **Maturity:** On or before December 31 of the year in which you reach the maximum age for maturity specified by the Tax Act, the assets of your Plan must be transferred to a RRIF or liquidated and the proceeds (less all proper charges) used to acquire an annuity that conforms to the Tax Act. If you or a Dealer do not provide the Trustee with satisfactory instructions by September 30 of that year, you will be deemed to have instructed the Trustee to transfer the assets of your Plan on or before December 31 of that year to a RRIF. The Trustee will act as your attorney to execute documents and make elections necessary to establish the RRIF. However, if the issuer of the RRIF does not accept the transfer, the assets of your Plan will be paid or transferred to you (less taxes required to be withheld and any other proper charges).
11. **Annuity:** An annuity purchased with the assets of your Plan must conform to the requirements of the Tax Act which, among other things, requires the annuity to provide equal annual or more frequent periodic payments to you, or to you until your death and then to your spouse, until there is a payment in full or partial commutation of the annuity and where the commutation is partial, equal annual or more frequent periodic payments afterwards except for adjustments permitted by the Tax Act. Payments may not exceed a term of years equal to 90 minus either your age (in whole years) or, if your spouse is younger than you, your spouse's age (in whole years) at the time the annuity is established. Payments to your spouse in any year after your death may not be greater than payments made in a year before your death. If the annuity becomes payable to a person other than you or your spouse, the value of payments must be commuted.
12. **Beneficiary Designation:** If you are domiciled in a jurisdiction which by law permits you to validly designate a beneficiary other than by Will, you may designate a beneficiary to receive the proceeds of your Plan in the event of your death before the maturity of your Plan. You may make, change or revoke your designation by written notice to the Trustee signed by you in a form acceptable to the Trustee. Any designation, amended designation or revoked designation will be valid on the day following its receipt by the Trustee.

2. **Application and Compliance:** If your Plan is a RRSP and locked-in assets are transferred or will be transferred to your Plan directly or indirectly from a RPP, this Locking-in Supplement applies to your Plan and forms part of the Declaration. The Trustee will comply with the relevant pension legislation.
3. **Purpose:** The Trustee will hold contributions accepted by it for your Plan, investments made with those amounts and any income and capital gains realized in respect of those investments in trust for the purposes of providing you with a pension in accordance with the Tax Act and pension legislation.
4. **Contributions to your Plan:** The only assets that may be contributed to your Plan are locked-in assets transferred directly or indirectly from a RPP; if permitted by pension legislation, a LIRA/Locked-in RSP, RLSP, LIF, RLIF, PRIF, PRPP or LRIF; a life annuity the capital of which originated from a RPP; or another source permitted by the Tax Act and pension legislation from time to time. The Trustee will not accept any amount contributed to your Plan from a source or in circumstances not permitted by the Tax Act and pension legislation. Locked-in assets governed by pension legislation of one jurisdiction may not be commingled in your Plan with non-locked-in assets or locked-in assets governed by pension legislation of another jurisdiction. Where New Brunswick pension legislation governs your Plan, if the amount transferred to your Plan was determined in a way that differentiated based on your gender, amounts subsequently transferred to your Plan must have been differentiated on the same basis.
5. **Investments:** The investments held in your Plan must comply with the investment rules imposed by the Tax Act for a RRSP.

   (c) you are subject to a disability or terminal illness that considerably reduces your life expectancy;
   (d) a payment is made to effect a division of assets upon relationship breakdown or in satisfaction of an order for support or maintenance;
   (e) the assets of your Plan are transferred, if permitted by pension legislation, to a RPP, LIRA/Locked-in RSP, RLSP, LIF, RLIF, PRIF, PRPP or LRIF or are used to establish a life annuity;
   (f) a payment is made after your death; or
   (g) otherwise permitted by the Tax Act and pension legislation from time to time.

   Any transaction that is contrary to this section is void. The Trustee will endeavour to make any requested payment or transfer within 30 days after receiving satisfactory instructions and any other documentation that it considers necessary.
7. **Refunds:** The Trustee will make payments pursuant to section 8 [Withdrawals and Refunds] of the Declaration to reduce taxes otherwise payable under Part X.1 of the Tax Act. Where New Brunswick pension legislation governs your Plan, the payment (less taxes required to be withheld) will be deposited into a sub-account of your Plan. The sub-account will not be a RRSP.
8. **Collapsing a Small LIRA/Locked-in RSP or RLSP:** You may withdraw the total value of the Plan assets as a lump sum, if
   (a) where New Brunswick pension legislation governs your Plan, the aggregate value of the locked-in assets you hold in all New Brunswick LIRAs, in all New Brunswick LIFs, and in all life and deferred life annuities is less than 40% of the YMPE divided by 1.06 for each year your age precedes age 65, provided the total of the pension adjustments reported to you by the Canada Revenue Agency for the two taxation years immediately preceding the request for withdrawal is zero;
   (b) where your Plan is a Federal RLSP, in the calendar year in which you reach age 55, or in any subsequent calendar year,
      i. you certify that the aggregate value of the assets in all your Federal Locked-in RSPs, Federal LIFs, Federal RLSPs, PRPP and Federal RLIFs is less than or equal to 50% of the YMPE; and
      ii. you provide the Trustee with completed Forms 2 and 3 as required by Federal pension legislation.

   The Trustee will make a lump-sum payment from your Plan equal to the value of your Plan after receiving your request, signed declaration, waiver, or attestation in the form and manner required by pension legislation and satisfactory evidence that all the necessary conditions stipulated by pension legislation are satisfied.
9. **Collapsing your Plan after you become a Non-resident:** Where Federal, New Brunswick pension legislation governs your Plan, the Trustee will make a lump-sum payment to you from your Plan equal to the value of your Plan after receiving.
   (a) your request;
   (b) any document or information required by pension legislation;
   (c) satisfactory written evidence that the Canada Revenue Agency has determined that you (and where New Brunswick pension legislation governs your Plan, your spouse) are a non-resident of Canada for the purposes of the Tax Act;
   (d) where New Brunswick pension legislation governs your Plan, satisfactory written evidence that you and your spouse, if any, are not Canadian citizens;
   (e) where New Brunswick pension legislation governs your Plan, a waiver from your spouse in the form required by pension legislation; and
   (f) where Federal pension legislation governs your Plan, the Trustee will not make the payment until you have been absent from Canada for at least two years.
10. **Shortened Life Expectancy:** The Trustee will make a payment or series of payments to you to enable a full or partial withdrawal of the assets in your Plan, but only to the extent and in the manner permitted by pension legislation, after receiving:
    (a) a request;
    (b) where New Brunswick pension legislation governs your Plan, a waiver from your spouse in the form and manner required by pension legislation; and
    (c) any other document or information required by pension legislation.
11. **Financial Hardship:**
    (1) If Federal pension legislation governs your Plan, you may withdraw an amount from your Plan up to the lesser of the amount determined by the formula M+N and 50% of the YMPE minus the aggregate amount of any other financial hardship withdrawals under Federal pension legislation made in the calendar year from any Federal Locked-in RSP, Federal RLSP, Federal LIF, or Federal RLIF you hold, where

    M = the total amount of the expenditures that you expect to make on medical or disability related treatment or adaptive technology for the calendar year, and

    N = the greater of zero and the amount determined by the formula P-Q,

    where;

    P = 50% of the YMPE, and

    Q = two thirds of your total expected income for the calendar year determined in accordance with the Tax Act, excluding withdrawals in the calendar year for financial hardship from any Federal Locked-in RSP, Federal RLSP, Federal LIF, or Federal RLIF you hold.

    Provided,
    (a) you certify that you have not made a financial hardship withdrawal under Federal pension legislation in the calendar year from any Federal Locked-in RSP, Federal RLSP, Federal LIF, or Federal RLIF you hold, other than within the last 30 days before such certification,
    (b) if the value of M is greater than zero,
       (i) you certify that you expect to make expenditures on medical or disability-related treatment or adaptive technology for the calendar year in excess of 20% of your total expected income for that calendar year determined in accordance with the Tax Act, excluding withdrawals in the calendar year for financial hardship from any Federal Locked-in RSP, Federal RLSP, Federal LIF, or Federal RLIF you hold.
       (ii) a physician certifies that such medical or disability-related treatment or adaptive technology is required, and
    (c) you provide the Trustee with completed Forms 1 and 2 as required by Federal pension legislation.

    High medical or disability-related costs

    For financial hardship unlocking based on medical or disability-related costs, these expected costs must be of 20% or more of your expected income for the current calendar year. You may withdraw an amount up to the full medical or disability-related costs subject to a maximum amount of 50% of the YMPE.
12. **Spousal Payments after Relationship Breakdown:** The assets of your Plan may be subject to division under family law and pension law. After receiving satisfactory evidence of entitlement and confirmation that a payment is not prohibited by pension law, a payment or payments will be made out of your Plan but only to the extent and in the manner permitted by law:

Locking-in Supplement for a LIRA or Locked-in RSP or RLSP (continued)

(a) to effect a division of assets provided the payment is made pursuant to applicable marital property legislation; or

(b) pursuant to an execution, seizure, attachment or other process of law in satisfaction of an order for support or maintenance. Within the limits permitted by pension legislation, the Trustee may deduct from your Plan its cost of complying with an order for support or maintenance.

13. Spousal Entitlement to Survivor Benefits after Relationship Breakdown:

(1) Your spouse's entitlement to survivor benefits:

(a) may end upon divorce, annulment or separation; and

(2) Notwithstanding subsection 13(1) of this Locking-in Supplement, your former spouse is entitled to survivor benefits:

(a) if named as a beneficiary of your Plan; or

(b) if applicable pensions legislation is satisfied.

14. Transfers from your Plan: Subject to any restrictions imposed by the Tax Act or pension legislation, all or any part of the assets of your Plan may be transferred to the issuer of a RPP or life annuity or, if permitted by pension legislation, a LIRA/Locked-in RSP, RLSP, LIF, RLIF, PRIF, PRPP or LRIF. Before transferring assets from your Plan, the Trustee will:

(a) confirm that the transfer is permitted under pension legislation and the Tax Act;

(b) confirm that the issuer of the recipient plan is on the list of acknowledged financial institutions and the recipient plan is on the list of LIRAs/Locked-in RSPs, RLSPs, LIFs, RLIFs, PRPP or LRIFs if such a list is maintained by the applicable pension regulator;

(c) notify the issuer of the recipient plan of the locked-in status of the assets being transferred and the pension legislation that governs the assets; and

(d) obtain the commitment of the issuer of the recipient plan to administer the transferred assets according to pension legislation. The Trustee will comply with any other requirement imposed by pension legislation. If required by pension legislation, your spouse must provide consent to the transfer or waiver in the form and manner required by pension legislation.

15. Maturity: Any assets held in your Plan on December 31 of the year in which you reach the maximum age for maturity specified by the Tax Act or an earlier age if specified by pension legislation must be used to establish a LIF, LRIF, RLIF, PRIF, PRPP or life annuity, as the case may be, that conforms with the Tax Act and pension legislation. If the Trustee does not receive satisfactory instructions by September 30 of that year, you will be deemed to have instructed the Trustee to transfer the assets of your Plan on or before December 31 of that year to a LIF, LRIF, RLIF, PRIF or life annuity selected by the Trustee and the Trustee will not be liable for any resulting loss.

16. Life Annuity: A life annuity established with the assets of your Plan must comply with pension legislation in addition to the rules imposed by the Tax Act. A life annuity established with the assets of your Plan must be established for your life. However, if you have a spouse on the date payments under the life annuity begin, the life annuity must be established for the life of the survivor of you and your spouse unless a spousal waiver has been provided in the form and manner required by pension legislation and has not been revoked. Your spouse's right to a life annuity as your survivor may be waived (and the waiver may be revoked) in the form and manner stipulated by pension legislation. Payments under the life annuity may not begin before the earliest date permitted by pension legislation. If your spouse is entitled to payments under the life annuity after your death, those payments must be at least 60 percent of the amount to which you were entitled before your death. The life annuity may not differentiate based on your gender except to the extent permitted by pension legislation.

17. Beneficiary Designation: The designation of a person other than your spouse as the beneficiary of your Plan will not be valid if you have a spouse who is entitled to survivor benefits under your Plan because of pension legislation. Your spouse's right to be the beneficiary of your Plan may be waived (and the waiver may be revoked) in the form and manner stipulated by pension legislation.

18. Death: Following your death, the assets of your Plan will be paid to the person who was your spouse on the date of your death or will be used to provide that person with a pension unless that person is not entitled to survivor benefits under pension legislation. If pension legislation permits or requires that person to receive survivor benefits in a form other than a lump-sum payment, that person may instruct the Trustee to transfer the assets of your Plan to the issuer of a RRSP, LIRA/Locked-in RSP, RLSP, RRIF, LIF, RLIF, PRIF, LRIF, PRPP or life annuity as permitted by pension legislation and the Tax Act. If you did not have a spouse on the relevant date or if your spouse is not entitled to survivor benefits under pension legislation, the assets of your Plan will be paid to your designated beneficiary, if that person was living at the date of your death and if not, to your legal representatives. The assets of your Plan will be paid out of your Plan within 60 days after the Trustee receives all releases and other documents that it requests. If the Trustee has not received satisfactory instructions by that date, the Trustee may transfer the assets of your Plan as permitted or required by pension legislation and the Trustee will not be liable for any resulting loss.

19. Other Payments or Transfers: The Trustee will make a lump sum or series of payments or transfers from your Plan not otherwise provided for in this Locking-in Supplement but only in the manner and to the extent specifically permitted by pension legislation and only after receiving your request and any documents and information required by it and pension legislation.

20. Valuation: If your Plan is governed by Federal pension legislation, on any given day, the value of your Plan will be determined based on the value of the assets owned by your Plan at the close of business on that day net of any fees or expenses properly chargeable to your Plan.

21. Assignment and Seizure: The assets of your Plan may not be assigned, charged, alienated, anticipated, given as security or subjected to execution, seizure or attachment, except as permitted by the Tax Act and pension law. A transaction that is contrary to this section is void.

22. Amendments: From time to time the Trustee may amend the Declaration (including this Locking-in Supplement) provided that the amendment does not disqualify your Plan as a LIRA/Locked-in RSP or RLSP and, if required by law, the amendment is approved by the authorities administering the Tax Act and pension legislation. Amendments that do not reduce your benefits but are required to ensure that your Plan continues to comply with the law will be effective without notice. Any other amendment will be effective not less than 30 days (or 90 days where required by pension legislation) after notice has been provided to you. Where required by pension legislation, you will also be provided with notice of your entitlement to transfer assets out of your plan.

Newfoundland and Labrador - Locked-in Retirement Account (LIRA) Addendum

Upon receipt of locked-in pension assets pursuant to the *Pension Benefits Act*, 1997 (Newfoundland & Labrador), and in accordance with the instructions of the Planholder to transfer the assets to a Newfoundland & Labrador locked-in retirement account, the Plan Issuer and Planholder agree that the provisions of this Addendum are appended to and form additional terms of the retirement savings plan declaration of trust.

1. **Pension Legislation**. For the purposes of this Addendum, the word "Act" means the *Pension Benefits Act, 1997* (Newfoundland & Labrador), the word "Regulations" means the *Pension Benefits Act Regulations* made under the Act and the word "Directives" means the *Directives* made under the Act.
2. **Definitions**. All terms in this Addendum which are used in the Act, Regulations or Directives have the same meaning as under the Act, the Regulations or Directives. In this Addendum, "Plan" means the above-named retirement savings plan, governed by the declaration of trust and the additional terms of this Addendum. "Planholder" means the planholder, accountholder or annuitant under the declaration of trust and application form and includes the "owner" as that term is used in Directive No. 4. "Locked-In Assets" means all the assets in the Plan at any time and includes any interest or other earnings realized or accrued to that time.
3. **Spouse, Cohabiting Partner and Principal Beneficiary**. The word "Spouse" means a person who:
   - (a) is married to the Planholder,
   - (b) is married to the Planholder by a marriage that is voidable and has not been voided by a judgment of nullity, or
   - (c) has gone through a form of a marriage with the Planholder, in good faith, that is void and is cohabiting or has cohabited with the Planholder within the preceding year.

   The word "Cohabiting Partner" means a person who:
   - (a) in relation to a Planholder who has a Spouse, is not the Spouse of the Planholder who has cohabited continuously with the Planholder in a conjugal relationship for not less than 3 years, or
   - (b) in relation to a Planholder who does not have a Spouse, has cohabited continuously with the Planholder in a conjugal relationship for not less than 1 year and is cohabiting or has cohabited with the Planholder within the preceding year.

   The word "Principal Beneficiary" means the Spouse of a Planholder or where the Planholder has a Cohabiting Partner, the Planholder's Cohabiting Partner.

   Notwithstanding anything to the contrary contained in the Plan, for the purposes of any provision of the *Income Tax Act* (Canada) respecting registered retirement savings plans, "Spouse", "Cohabiting Partner" and "Principal Beneficiary" do not include any person who is not recognized as a spouse or common-law partner under the *Income Tax Act* (Canada).
4. **Transfers into the Plan**. The only assets that may be transferred into the Plan are assets originating, directly or indirectly, from:
   - (a) the pension fund of a registered pension plan that conforms with the Act and the Regulation;
   - (b) another Locked-In Retirement Account that conforms with Directive No. 4;
   - (c) a Life Income Fund that conforms with Directive No. 5; or
   - (d) a Locked-In Retirement Income Fund that conforms with Directive No. 17.

   Any transfer into the Plan must be made before maturity of the Plan and on a tax-deferred basis under the *Income Tax Act* (Canada).
5. **Only Locked-In Assets, Except Separate Account**. Assets that are not locked-in shall not be transferred to or held under a Plan with this Addendum, other than a life annuity contract, that holds or will hold locked-in assets, unless the locked-in assets are to be held in a separate account.
6. **Investments**. The Locked-In Assets shall be invested and re-invested on the direction of the Planholder as provided in the declaration of trust. The Locked-In Assets will be invested in a manner that complies with the rules of investment contained in the *Income Tax Act* (Canada) and will not be invested directly or indirectly in any mortgage in respect of which the mortgagor is the Planholder or the parent, brother, sister or child of the Planholder or the Principal Beneficiary of any of those persons.
7. **Transfers Out of the Plan**. All the Locked-In Assets shall be used to provide a pension benefit and shall not be transferred or withdrawn except:
   - (a) before maturity, to transfer the Locked-In Assets to the pension fund of a registered pension plan that conforms with the Act and the Regulations;
   - (b) before maturity, to transfer the Locked-In Assets to another Locked-In Retirement Account that conforms with Directive No. 4;
   - (c) to transfer the Locked-In Assets to a Life Income Fund that meets the requirement of Directive No. 5;
   - (d) to transfer the Locked-In Assets to a Locked-In Retirement Income Fund that meets the requirement of Directive No. 17;
   - (e) in accordance with paragraph 60(l) of the *Income Tax Act* (Canada), to purchase a life annuity contract that meets the requirements of Directives No. 4 and No. 6, commencing not before the person who is to receive the pension benefit obtains the earlier of:
     - (i) 55 years of age, or
     - (ii) the earliest date on which the Planholder who is a former member is entitled to receive a pension benefit under a pension plan from which the assets were transferred to the Plan as a result of termination of employment or termination of the plan.

   Any transfer out of the Plan must be made on a tax-deferred basis under the *Income Tax Act* (Canada). All of the Locked-In Assets must be transferred or paid on or before the 31st day of December of the year in which the Planholder reaches age 71 (or such other time for maturity as is permitted by the *Income Tax Act* (Canada)). If the Plan Issuer does not receive instructions from the Planholder by this time, the Plan Issuer may in its discretion transfer the Locked-In Assets to a life income fund or a locked-in retirement income fund pursuant to paragraph 7(c); and the Plan Issuer will not be responsible for any loss that may result from this action, including but not limited to investment losses or diminution of the Locked-In Assets, or for any related administration expenses.
8. **Subsequent Transfer**. The Plan Issuer shall advise in writing any subsequent transferee that the amount transferred must be administered as a pension benefit under the Act. The Plan Issuer shall not permit any subsequent transfer except where
   - (a) the transfer would be permitted under the Act, and
   - (b) the subsequent transferee agrees to administer the amount transferred as a pension benefit in accordance with the Act.
9. **Overcontribution**. The Planholder may withdraw an amount of Locked-In Assets from the Plan where it is required to be paid to the Planholder to reduce the amount of tax that would otherwise be payable under Part X.1 of the *Income Tax Act* (Canada), as permitted by the Act, the Regulation and Directive No. 4.
10. **Joint and Survivor Pension Benefit**. The pension benefit payable to a Planholder who is a former member who has a Principal Beneficiary at the date the pension commences shall be a joint and survivor pension benefit with at least 60% continues to be payable to the survivor for life after the death of either, unless the Principal Beneficiary waives the entitlement in a form and manner set out in a form provided by the Superintendent.
11. **Withdrawal Where Shortened Life Expectancy**. Notwithstanding any other provision in this Addendum, Locked-In Assets may be withdrawn as a lump sum or series of payments if a medical practitioner certifies that due to mental or physical disability the life expectancy of the Planholder is likely to be shortened considerably. But where the Planholder is a former member of a pension plan such payment may only be made if the Principal Beneficiary of the former member has waived the joint and survivor pension entitlement in the form and manner required by the Superintendent.
12. **Withdrawal of Small Amounts**. Notwithstanding any other provision in this Addendum, a lump sum payment equal to the value of the Locked-In Assets may be made on application by the Planholder to the Plan Issuer for payment if, at the time the Planholder signs the application, the following conditions are met:
    - (a) the value of all assets in all LIFs, LRIFs, and LIRAs owned by him or her and governed by Newfoundland and Labrador pension benefits legislation is less than 10 percent of the year's maximum pensionable earnings under the Canada Pension Plan for that calendar year; or
    - (b) (i) the Planholder has reached the earlier age of 55 or the earliest date on which the Planholder would have been entitled to receive a pension benefit under the plan from which money was transferred, and
      - (ii) the value of the Planholder's assets in all LIFs, LRIFs and LIRAs governed by Newfoundland and Labrador pension benefits legislation is less than 40 percent of the year's maximum pensionable earnings under the Canada Pension Plan for that calendar year.

    An application for payment under this paragraph shall be on a form approved by the Superintendent and accompanied by a waiver by the Principal Beneficiary of a former member of a pension plan of joint and survivor pension entitlement, in the form and manner required by the Superintendent.
13. **Marriage Breakdown Provisions**. A Plan with this Addendum is subject, with any necessary modifications, to the division of pension benefits on marriage breakdown provisions in Part VI of the Act.
14. **Death of Planholder**. On the death of the Planholder who is a former member who has a Principal Beneficiary, the surviving Principal Beneficiary, or where there is no surviving Principal Beneficiary or the surviving Principal Beneficiary had waived entitlement in the form and manner required by the Superintendent, a designated beneficiary, or where there is no designated beneficiary, the estate of the Planholder who is a member or former member is entitled to a lump sum payment of the full value of the Locked-In Assets of the Plan.

    Where the Planholder is not a former member, the full value of the Locked-In Assets of the Plan shall be paid to the designated beneficiary or, where there is no beneficiary, to the Planholder's estate.

    The Plan Issuer must receive satisfactory evidence of death, satisfactory evidence as to whether or not the Planholder had a spouse at the date of the Planholder's death, and any other documents as the Plan Issuer may require.
15. **Differentiation on the Basis of Sex**. Where the commuted value of a pension benefit which was transferred to the Plan was determined in a manner that did not differentiate on the basis of sex, an immediate or deferred life annuity purchased with the Locked-In Assets shall not differentiate on the basis of the sex of the recipient.
16. **No Commutation or Surrender**. Except as provided in Part VI of the Act (Marriage Breakdown), Locked-In Assets shall not be commuted or surrendered during the lifetime of the Planholder. Any transaction purporting to surrender or commute the Locked-In Assets is void.
17. **No Assignment etc**. The Locked-In Assets shall not be assigned, charged, anticipated or given as security except as permitted by section 37 of the Regulations (division of a pension benefit in accordance with Part VI of the Act). Any transaction purporting to assign, change, anticipate or give the Locked-In Assets as security is void.
18. **Provision of Pension on Improper Pay Out**. Where Locked-In Assets are paid out contrary to the Act or Directive No. 4, the Plan Issuer will provide or ensure the provision of a pension benefit equal in value to the pension benefit that would have been provided had the Locked-In Assets not been paid out.
19. **Indemnity**. Should the Plan Issuer and/or its Agent be required to make payments or to provide an annuity or a pension as a result of any Locked-In Assets being paid out or transferred otherwise than in accordance with the provisions of this Addendum, the Regulations, Directive No. 4 or as may be required

Newfoundland and Labrador - Locked-in Retirement Account (LIRA) Addendum (continued)

by applicable law, the Planholder will indemnify and hold harmless the Plan Issuer and/or the Agent to the extent that Locked-In Assets were previously received by or accrued to the benefit of any of them or the Planholder's estate. This indemnity will be binding upon the Planholder's legal representatives, successors, heirs and assigns.

20. **Transfers and Payments; Terms of Investments**. All transfers and payments from the Plan are subject to the terms of the investments and will be subject to the withholding of any applicable tax and deduction of all reasonable expenses, costs, fees and charges. Transfers and payments may be made in cash or in kind, in accordance with the instructions of the Planholder and subject to the terms of the investments and the requirements of the Plan Issuer or the Agent.
21. **Amendment**. No amendment shall be made to the Plan unless the Plan as amended remains in conformity with the Act, the Regulation and Directive No. 4 and with section 146 of the *Income Tax Act* (Canada).
22. **Information to be Provided by Plan Issuer**. At the beginning of each fiscal year, the Plan Carrier must provide the following information to the Planholder:
    (a) amounts transferred to the Plan, any accumulated investment earnings including any unrealized capital gains or losses, any transfers, payments or withdrawals from the Plan and any fees, expenses, costs and charges to the Plan during the previous fiscal year; and
    (b) the value of the Locked-In Assets as of the beginning of the fiscal year.

    If the Locked-In Assets are transferred out of the Plan, the information must be determined as of the date of transfer. Upon the death of the Planholder, the person entitled to receive the Locked-In Assets must be provided the information determined as of the date of the Planholder's death.
23. **Conflict between Legislation and Addendum**. If there is a conflict between the applicable Pension or Income Tax Legislation and this Addendum, the Legislation will prevail to the extent necessary to resolve the conflict.

8. For the purposes of this Addendum, LIRA refers to a Locked-In Retirement Account governed by the Pension Legislation, and will hereinafter be referred to in this Addendum as a "**LIRA**".

    - (a) the amount determined by the formula "M + N", where:
      - i. "M" is the total amount of the expenditures that the Applicant expects to make on medical or disability-related treatment or adaptive technology for the calendar year; and,
      - ii. "N" is the greater of
        1. zero, and
        2. the amount determined by the formula, "P – Q", where:

           - b. "Q" is two thirds of the Applicant's total expected income for the calendar year determined in accordance with the Tax Act, excluding withdrawals in the calendar year from any LRSP, LIRA, RLSP, or RLIF under the Financial Hardship Provision; and,
    - (b) 50% of the YMPE minus any amount withdrawn in the calendar year from any LRSP, LIRA, RLSP, or RLIF under the Financial Hardship Provisions.

13. In addition to the restrictions set out in paragraphs 11 and 12 of this Addendum, the investments in the LIRA shall be governed by, and in accordance with, the investment provisions of the Account Agreement.
14. Except as provided under section 10 of the Act or subsection 13(4) of the Regulations, the funds in the LIRA shall not be assigned, charged, anticipated, or given as security, and any transaction purporting to assign, charge, anticipate or give the assets as security is void.

Valuation

15. For information regarding the valuation of the assets in the LIRA, the Applicant shall refer to the Simplified Prospectus and the Annual Information Form for the particular investment in which the Applicant's LIRA assets are invested.

Transferring assets from the LIRA

16. Subject to any restrictions imposed by the Tax Act, the funds in the LIRA may only be:
  (a) transferred to another LIRA subject to the same Applicable Legislation;
  (b) transferred to a pension plan, if the plan permits such a transfer and if the plan administers the benefit attributed to the transferred assets as if the benefit were that of a plan member with 2 years of membership in the plan;
  (c) transferred to a PRPP, if the LIRA was derived directly or indirectly from a PRPP;

  (e) transferred to another LIRA subject to the same Applicable Legislation; or,
  (f) used to purchase an immediate life annuity or deferred life annuity.

Conversion to a life pension

17. For the purposes of the purchase of an immediate or deferred life annuity referred to in paragraph 16(f) of this Addendum:
  (a) Where a pension benefit credit transferred into the LIRA was not varied according to the sex of the plan member, an immediate or deferred life annuity purchased by the funds accumulated in the LIRA shall not differentiate as to sex, and
  (b) A pension benefit transferred into the LIRA will be deemed to have been determined in a manner that did not differentiate on the basis of the sex of the beneficiary, unless the Applicant furnishes the Trustee with information to the contrary.

Withdrawals from the LIRA – Shortened life expectancy

18. The funds in the LIRA may be paid to the Applicant in a lump sum if a physician certifies that, owing to mental or physical disability, the life expectancy of the Applicant is likely to be considerably shortened, and the Applicant provides the Trustee with such certification.

Withdrawals from the LIRA – Small accounts

19. In the calendar year in which the Applicant reaches 55 years of age or in any subsequent calendar year, the funds may be paid to the Applicant in a lump sum if:
  (a) the Applicant certifies that the total value of all assets in all LRSP s, LIRAs, RLSPs, and RLIFs that were created as a result of a transfer from another PRPP under section 50, 53, or 54 of the federal Act or a transfer authorized by the federal Regulations is less than or equal to 50% of the YMPE; and,
  (b) the Applicant applies, on a form approved by the Superintendent, to the financial institution with which the arrangement for the LIRA was entered into, containing the following items:
    - i. A certification that the information provided on the form is complete and accurate;

    - iii. If the Applicant has a spouse from whom the Applicant is not living separate and apart as of the date of the application, a consent by such spouse to the payment of funds.

Withdrawals from the LIRA – Financial hardship

  (a) if the Applicant certifies that the Applicant has not made a withdrawal in the calendar year from any LRSP, LIRA, RLSP, or RLIF under the Financial Hardship Provisions, other than within the last 30 days before this certification,
  (b) if,
    (A) in the event that the value of "M" in the definition of the Maximum Financial Hardship Amount is greater than zero,
      - i. the Applicant certifies that the Applicant expects to make expenditures on medical or disability-related treatment or adaptive technology for the calendar year in excess of 20% of the Applicant's total expected income for that calendar year determined in accordance with the Income Tax Act, excluding withdrawals in the calendar year from any LRSP, LIRA, RLSP, or RLIF under the Financial Hardship Provisions, and
      - ii. a physician certifies that such medical or disability-related treatment or adaptive technology is required, or

    (B) the Applicant's expected income for the calendar year determined in accordance with the Income Tax Act — other than any amount withdrawn under the Financial Hardship Provisions within the last 30 days before the day on which the certification is made — is less than 75% of the Year's Maximum Pensionable Earnings, and

An order under Part I (Family Property) of the Family Law Act (Ontario), a family arbitration award or a domestic contract is not effective to the extent that it purports to entitle a Surviving Spouse of the Annuitant to transfer a lump sum that exceeds 50 per cent of the assets in the LIRA, determined as of the family law valuation date.

Death of Applicant – Surviving Spouse benefits

23. On the death of the Applicant and upon the receipt by the Trustee of any documentation that may reasonably be required, the funds in the LIRA shall be paid as follows:
  (a) to the Surviving Spouse of the Applicant, by:
    - i. transferring the LIRA assets to another LIRA subject to the same Pension Legislation,

Quebec Locked-In Retirement Account (LIRA) Addendum ("Addendum")

For locked-in pension transfers to a locked-in retirement account (LIRA) pursuant to the *Supplemental Pension Plans Act* (Québec)

Upon receipt of locked-in pension assets pursuant to the *Supplemental Pension Plans Act* (Québec), B2B Trustco and the Planholder agree, further to the Retirement Savings Plan Declaration of Trust and the Locking-in Supplement for a LIRA or Locked-in RSP or RLSP that form part of this B2B Bank Financial Services Inc. Account Application, as follows:

1. **Pension Legislation**. For the purposes of this Addendum, the word "Act" means the *Supplemental Pension Plans Act* (Québec) and the word "Regulation" means the *Regulation Respecting Supplemental Pension Plans* made under the Act.
2. **Definitions**. All terms in this Addendum which are used in the Act or Regulation have the same meaning as under the Act or the Regulation. All terms in this Addendum which are used in the B2B Bank Financial Services Inc. Account Application ("**Application**") of which this Addendum forms a part, including but not limited to the Retirement Savings Plan Declaration of Trust ("**RSP Declaration of Trust**") and the Locking-in Supplement for a LIRA or Locked-in RSP or RLSP ("**LIRA Locking-in Supplement**"), have the same meaning as under the Application. In this Addendum, "Issuer" means B2B Trustco, "Plan" has the same meaning given to "your Plan" in the RSP Declaration of Trust and "Planholder" means the applicant/annuitant as defined under the RSP Declaration of Trust and the Application.
3. **Compliance**. The Plan shall at all times comply with the provisions of the Act, the Regulation, and the *Income Tax Act* (Canada) with respect to retirement savings plans. This Addendum forms part of the RSP Declaration of Trust.
4. **Precedence**. This Addendum is to be read together with the LIRA Locking-in Supplement that forms part of the Application. In the event that any provision of the LIRA Locking-in Supplement and this Addendum conflict or are incompatible, the provisions of this Addendum shall prevail to the extent necessary to resolve the conflict or incompatibility.
5. **Spouse**. Notwithstanding anything to the contrary contained in the Plan, this Addendum or any endorsements forming a part thereof,
  (a) for the purposes of the Plan, the word "spouse" has the meaning given by section 85 of the Act, and
  (b) for the purposes of any provision of the *Income Tax Act* (Canada) respecting registered retirement savings plans, "spouse" does not include any person who is not recognized as a spouse or common-law partner under the *Income Tax Act* (Canada).

  Spousal status is established on the day on which payment of the pension of the Planholder, referred to in section 10 hereof, begins or on the day preceding the death of the Planholder, whichever comes first.
6. **Establishment of the Plan**. The only assets that may be transferred into the Plan are sums originating, directly or initially, from one or more of the following:
  (a) a supplemental pension plan governed by an act emanating from a legislative authority other than the Parliament of Québec and granting entitlement to a deferred pension;
  (b) a supplemental pension plan established by an act emanating from the Parliament of Québec or from another legislative authority;
  (c) the locked-in account of a voluntary retirement savings plan ("**VRSP**") governed by the *Voluntary Retirement Savings Plans Act* (Québec);
  (d) the locked-in account of a VRSP or an equivalent savings plan emanating from a legislative authority other than the Parliament of Québec, provided the member joins that plan as part of his employment;
  (e) a life income fund referred to in section 18 of the Regulation;
  (f) a locked-in retirement account referred to in section 29 of the Regulation;
  (g) an annuity contract referred to in section 30 of the Regulation.

  Any transfer into the Plan must be on a tax deferred basis under the *Income Tax Act* (Canada).
7. **Requirement to Provide Life Pension**. Except as otherwise provided in this Addendum, the balance of the account may only be converted into a life pension guaranteed by an insurer and established for the duration of the life of the Planholder alone or for the duration of the life of the Planholder and the life of his spouse; the periodic amounts paid under that pension must be equal, unless each amount to be paid is uniformly increased by reason of an index or a rate provided for in the contract or uniformly adjusted by reason of a seizure effected on the benefits of the Planholder, a redetermination of the Planholder's pension, partition of the Planholder's benefits with his spouse, the payment of a temporary pension under the conditions provided for in section 91.1 of the Act or the election provided for under paragraph 3 of the first paragraph of section 93 of the Act.
8. **Death of Planholder**. If the Planholder who is a member or former member dies before the conversion of the balance of the Plan into a pension, the balance of the Plan is paid:
  (a) where the Planholder had a spouse at the date of death who survives the Planholder, to the surviving spouse, unless the spouse has waived entitlement to the death benefits in accordance with paragraph 11 of this Addendum and the spouse has not revoked this waiver before the death of the Planholder;
  (b) where there is no surviving spouse entitled pursuant to subparagraph (a), to the Planholder's successors.

  The Issuer must receive satisfactory evidence of death, satisfactory evidence as to whether or not the Planholder had a spouse at the date of the Planholder's death, and any other documents as the Issuer

Quebec Locked-In Retirement Account (LIRA) Addendum ("Addendum") (continued)

may require.

9. **Conversion**. The Planholder may require the conversion of the balance of the Plan into a life pension at any time, unless the term agreed to for the investments has not expired. The Planholder shall be solely responsible for ensuring that such investments in the Plan can be liquidated for the provision of such a life pension.
10. **Spouse's Life Pension**. The balance of the Plan may not be converted into a pension guaranteed by an insurer unless, at the death of the Planholder who is a former member or a member, a life pension equal to at least 60% of the amount of the Planholder's pension including, during the replacement period, the amount of any temporary pension, is granted to his or her spouse, who has not waived it.
11. **Waiver of Death Benefits or Joint Life Pension**. The Planholder's spouse may, by giving written notice to the Issuer, waive his or her right to receive the payment provided for in paragraph 8 or the life pension provided for in paragraph 10 of this Addendum, and may revoke such a waiver by transmitting to the Issuer a written notice to that effect before, in the case referred to in paragraph 8, the death of the Planholder or, in the case referred to in paragraph 10, the date of conversion, in whole or in part, of the balance of the account into a life pension.
12. **Marital Breakdown**. The Planholder's spouse ceases to be entitled to the benefits provided under paragraphs 8 or, as the case may be, 10 of this Addendum upon separation from bed and board, divorce, nullity of marriage, dissolution or nullity of civil union, or in the case of a spouse who is not a married or civil union spouse, upon cessation of the conjugal relationship, unless the Planholder has transmitted to the Issuer the notice provided for in section 89 of the Act.
13. **Seizure for Unpaid Alimony**. The seizable portion of the balance of the Plan may be paid in a lump sum in execution of a judgment rendered in favour of the Planholder's spouse that gives entitlement to a seizure for unpaid alimony. An amount payable pursuant to such a judgment is to be paid to the spouse upon receipt of proper documentation by the Issuer, regardless of the term of any investment. The Planholder will have no further claim or entitlement to any pension respecting the amount paid and the Issuer is not liable to any person by reason of having made payment pursuant to such seizure.
14. **Transfers Out of the Plan**. The Planholder may transfer, at any time before the conversion of the total balance of the Plan into a life pension as provided under paragraph 7 of this Addendum, all or part of the balance of the Plan into:
    (a) a supplemental pension plan governed by an act emanating from a legislative authority other than the Parliament of Québec and granting entitlement to a deferred pension;
    (b) a supplemental pension plan established by an act emanating from the Parliament of Québec or from another legislative authority;
    (c) a locked-in account of a voluntary retirement savings plan ("**VRSP**") governed by the *Voluntary Retirement Savings Plans Act* (Québec);
    (d) a locked-in account of a VRSP or an equivalent savings plan emanating from a legislative authority other than the Parliament of Québec, provided the member joins that plan as part of his employment;
    (e) a life income fund referred to in section 18 of the Regulation;
    (f) a locked-in retirement account referred to in section 29 of the Regulation; or
    (g) an annuity contract referred to in section 30 of the Regulation, unless the agreed to term of the investments has not expired. The transfer may, at the option of the Issuer and unless otherwise stipulated, be effected by remittance of the investment securities held in the Plan.

    Any transfer out of the Plan must be on a tax deferred basis under the *Income Tax Act* (Canada).
15. **Payment Due to Non-Residency**. The Planholder may, unless the agreed to term of the investments has not expired, require that the total balance of the Plan be paid to him or her in a lump sum if he or she has not resided in Canada since at least 2 years, provided that the Planholder provides the Issuer with written evidence of that fact satisfactory to the Issuer.
16. **Disability and Shortened Life Expectancy**. The Planholder may withdraw all or a part of the balance of the Plan and receive a payment or a series of payments where a physician certifies, in a form satisfactory to the Issuer, that the Planholder's physical or mental disability reduces the Planholder's life expectancy. Such certificate must be provided to the Issuer**.**
17. **Lump Sum Withdrawal of Small Amounts**. The entire balance of the Plan may be paid in a lump sum to the Planholder on application to the Issuer accompanied with a declaration in conformity with the one prescribed in Schedule 0.2 of the Regulation, on the following conditions:
    (a) the Planholder was at least 65 years of age at the end of the year preceding the application; and
    (b) the total of the sums credited to him or her in the retirement savings instruments mentioned in Schedule 0.2 of the Regulation does not exceed 40% of the Maximum Pensionable Earnings for the year in which the Planholder applies for payment, for the year in which the Planholder applies for payment, pursuant to the Act *respecting the Québec Pension Plan*.
18. **Statements**. The Planholder is entitled to receive, at least once a year, a statement indicating the sums deposited, their source, the accumulated earnings, the fees debited since the last statement and the balance of the Plan.
19. **Issuer's Responsibility**. Where a sum is paid from the Plan contrary to the provisions of this Addendum or the Regulation, the Planholder may, unless the payment is attributable to a false declaration by the Planholder, require that the Issuer pay him or her, as a penalty, a sum equal to the irregular payment. Should the Issuer provide or be required to make a payment to the Planholder pursuant to this paragraph 19, the Planholder or the Planholder's heirs and/or legal representatives will indemnify and hold harmless the Issuer to the extent that assets of the Plan were received by or accrued to the benefit of any recipient.
20. **Amendments**. An amendment to the Plan shall not be made that would entail a reduction of the benefits resulting from the Plan unless the Planholder is entitled, before the date of the amendment, to a transfer of the balance of the Plan and has received, at least 90 days before the date on which he or she may exercise that entitlement, a notice indicating to him or her the subject of the amendment and the date from which he or she may exercise that entitlement. The transfer may, at the option of the Issuer and unless otherwise stipulated, be effected by remittance of the investment securities held in the Plan. The Issuer may not, except to fulfil requirements under law, make any amendment other than that provided for in this paragraph 20 without having previously notified the Planholder.
    The Issuer may amend the agreement only to the extent that it remains in conformity with the standard contract amended and registered with the Régie des rentes du Québec.
21. **Assignment and Seizure**. Subject to splitting between the Planholder and his or her spouse in accordance with a judgment rendered under the provisions of the *Civil Code of Québec* or unless otherwise provided by the Act, the Regulation, this Addendum or other law, the following amounts may not be assigned in whole or in part, charged, alienated, anticipated, given as security or subjected to execution, seizure or attachment:
    (a) any amounts transferred into the Plan under paragraph 6 of this Addendum, with accrued interest;
    (b) any amounts transferred to the Plan of a spouse which were awarded to the spouse following partition or any other transfer of benefits effected pursuant to Chapter VIII of the Act, with accrued interest, and the benefits deriving from such amounts; and
    (c) all amounts refunded or pension benefits paid under the Plan or the Act,

    and any transaction purporting to do so is void, except insofar as such amounts derive from additional voluntary contributions or represent a portion of the surplus assets allocated after termination of a pension plan.
22. **All Payments**. All transfers and other payments under this Addendum (except a payment under paragraph 13) are subject to the terms of the investments under the Plan and are subject to the withholding of any applicable tax and the deduction of all proper expenses and charges.
23. **Headings and Renumbering**. Headings in this Addendum are for ease of reference only and do not affect its interpretation. If any provision of the Pension Legislation or income tax legislation referred to in this Addendum is renumbered due to a change in law, then that reference is considered to be updated to reflect the renumbering.
24. **Conflict between Legislation and this Addendum**. If there is a conflict between any applicable Pension Legislation or income tax legislation and this Addendum, such legislation shall prevail to the extent necessary to resolve the conflict.
25. **Governing Law**. This Addendum shall be governed by and construed in accordance with the laws of the Province of Québec and the laws of Canada.

Retirement Income Fund Declaration of Trust

B2B Trustco (the "Trustee") is a trust company incorporated under the laws of Canada with its head office located at 199 Bay Street, Suite 600 PO Box 279 STN Commerce Court Toronto ON M5L 0A2. You are the applicant/annuitant as defined in the *Income Tax Act,* named in the B2B Bank Financial Services Inc. Account Application ("your Application"). If you have selected a RIF, LIF, RLIF, PRIF or LRIF as a type of account on your Application, the Trustee will act as the trustee of a B2B Bank Financial Services Inc. Retirement Income Fund ("your Plan") for you on the following terms and conditions.

1. **Acceptance and Registration:** If the Trustee agrees to act as trustee of your Plan, it will apply to register your Plan under the *Income Tax Act* (Canada) (the "Tax Act") as a registered retirement income fund ("RRIF"). You will be bound by the terms and conditions imposed on your Plan by all applicable legislation. If the Trustee declines to act as trustee, you or a Dealer (as defined below) will be notified and any amounts received by the Trustee as contributions will be returned.
2. **Purpose:** The Trustee will hold transfers accepted by it for your Plan, investments made with those amounts and any income and capital gains realized in respect of those investments in trust for the purpose of providing you with a retirement income in accordance with the Tax Act.
3. **Dealer:** In this declaration, a "Dealer" refers to an individual or entity acting (or representing that it acts) in connection with your Plan as your investment advisor, broker or dealer, or on behalf of your investment advisor, broker or dealer. You acknowledge that a Dealer is your agent and when acting (or representing that it acts) as a Dealer is not the agent of the Trustee or any of its affiliates. The Trustee is entitled to accept and act on any notice, authorization or other communication that it believes in good faith to be given by you or a Dealer on your behalf. The Trustee is under no obligation to verify that a Dealer is properly authorized to act as your agent or is otherwise authorized to act on your behalf.
4. **Your Responsibility:** You are responsible for:
    (a) selecting investments for your Plan and assessing the merits of those investments, obtaining appropriate advice in respect of these matters or authorizing a Dealer to do these things on your behalf;
    (b) ensuring that each transfer to your Plan is permitted by the Tax Act;
    (c) ensuring that the investments held in your Plan are at all times qualified investments for your Plan under the Tax Act and immediately notifying the Trustee if an investment held in your Plan is or becomes a non-qualified investment for your Plan under the Tax Act;
    (d) providing information to the Trustee relevant to whether an investment held is a non-qualified investment under the Tax Act;
    (e) providing the Trustee, upon request, with the current fair market value of any investment held in your Plan for which there is no published market price.

    You acknowledge and accept responsibility for these matters and undertake to act in the best interest of your Plan. You confirm that the Trustee is not responsible for your failure to comply with any of these matters or for any related loss in the value of your Plan. You confirm that the Trustee is not responsible for any related taxes, interest or penalties imposed on you or your Plan, except for those taxes, interest and penalties, if any, imposed on the Trustee by the Tax Act that are not reimbursable to the Trustee from your Plan under the Tax Act. You acknowledge that a Dealer or any other person from whom you obtain investment, tax or other advice is your agent and when acting (or representing that it acts) as a Dealer or your advisor is not an agent of the Trustee or the agent of any of the Trustee's affiliates. You will take all necessary measures to immediately liquidate any non-qualified investment under the Tax Act, and in the alternative, hereby authorize the Trustee to liquidate, or to give instructions to any other party to liquidate, any non-qualified investments under the Tax Act, but in no event shall the Trustee be obligated to liquidate or to give instructions to liquidate except as specifically authorized by you in writing.
5. **Trustee's Responsibility:** The Trustee is ultimately responsible for the administration of your Plan. The Trustee is not authorized to select investments for your Plan and will not assess the merits of any investment selected by you or a Dealer. The Trustee is not responsible for providing any investment, tax or other advice to you or a Dealer; nor is it responsible for any advice that you obtain from a Dealer or any other source. Except for those taxes, interest and penalties imposed on the Trustee by the Tax Act that are not reimbursable to the Trustee from your Plan under the Tax Act, if any, and notwithstanding any other provision of this declaration, the Trustee shall not be liable for any taxes, interest and penalties suffered as a result of any act done by it in reliance on your authority, the authority of a Dealer or the authority of your agent or legal representatives. Notwithstanding any other provision of this declaration, the Trustee shall not be liable for any loss suffered as a result of any act done by it in reliance on your authority, the authority of a Dealer or the authority of your agent or legal representatives. The Trustee is under no obligation to verify that any person is properly authorized to act as your Dealer, agent or legal representative or is otherwise authorized to act on your behalf.
6. **Transfers to your Plan:** The Trustee will accept transfers to your Plan from: (a) your registered retirement savings plan ("RRSP") or RRIF; (b) you, if the amount transferred is described in subparagraph 60(l)(v) of the Tax Act; (c) your spouse's or former spouse's RRSP or RRIF in circumstances described in subparagraph 146.3(2)(f)(iv) of the Tax Act; or (d) any other source permitted by the Tax Act from time to time. The Trustee may accept or for any reason refuse to accept all or any portion of a transfer of cash, securities or other investments to your Plan.
7. **Investments:**
    (a) The Trustee may accept and act on any investment instructions that it believes in good faith to be given by you or a Dealer on your behalf.
    (b) The assets of your Plan will be invested and reinvested from time to time according to your investment instructions or those of a Dealer unless the proposed investment does not comply with policies and requirements imposed by the Trustee from time to time.
    (c) The Trustee is not authorized to select investments for your Plan and will not assess the merits of the investments selected by you or a Dealer.
    (d) In selecting investments for your Plan, you will not be limited to those investments authorized by legislation governing the investment of property held in trust. However, you may be limited by policies and requirements imposed by us from time to time, such as the requirement to provide documentation and the requirement to comply with those policies and procedures currently imposed in connection with securities held in your Plan and the requirement to provide information concerning whether an investment held is a non-qualified investment under the Tax Act.
    (e) Notwithstanding any other provision in this declaration, the Trustee may for any reason refuse to act on any investment instruction, in which case you or a Dealer will be notified, and the Trustee will not be liable for any resulting loss.
    (f) Unless the Trustee refuses to act on your investment instructions, it will execute any purchase or sale of an investment after receiving your investment instructions together with all other properly completed documentation requested by the Trustee, at the market or sale price in effect on the day the transaction is executed. Any loss or gain resulting from errors made by the Trustee, its officers, employees or agents in the execution of investment instructions for your Plan will be for the Trustee's account.
    (g) The Trustee is authorized to make any financial arrangements that are required, necessary or appropriate to enable it to settle trades for your Plan according to your investment instructions or those of a Dealer.
    (h) In the absence of satisfactory investment instructions, cash received by the Trustee in connection with your Plan will be converted into the currency denomination of your Plan and will be invested in an interest-bearing cash deposit as part of the Trustee's guaranteed funds. The Trustee will credit your Plan with interest, as calculated by the Trustee, at the rate published by it from time to time for such deposits. Any interest in excess of the published rate will be for the Trustee's account and the Trustee may pay a portion of this excess to any agent that it appoints to provide services in connection with your Plan. Interest will not be paid to your Plan unless interest earned on such deposits is more than the specified minimums published by the Trustee or B2B Bank Financial Services Inc. (the "Administrator") from time to time.
    (i) If it is necessary for cash or other assets held in your Plan to be converted to another currency, the Trustee, its affiliate, its agent or a person engaged by the Trustee may act as principal on its own behalf and not on your behalf to convert the currency at the rate established by it for the relevant conversion date. In addition to commissions that may be charged for this service, any revenue earned by the Trustee or other service provider based on the difference between the applicable bid/ask rates and its cost of currency will be for the account of the Trustee or other service provider.
8. **Retirement Income:** The assets of your Plan will be used to provide you with an income that will begin on or before December 31 of the second calendar year of your Plan. In each calendar year, the total amount of payments to you from your Plan will not be less than the minimum amount (the "Minimum Amount") required to be paid under the Tax Act. The amount of any payment from your Plan will not exceed the value of the property of your Plan immediately before the time of the payment. If the value of your Plan is less than $500 or substantially all of the assets in your Plan are illiquid (as determined by the Trustee), the Trustee may make a payment to you from your Plan equal to the value of your Plan or transfer the illiquid assets to you

from your Plan. Otherwise, you may specify in writing in a form satisfactory to the Trustee, the amount and frequency of the payments to be made during any year. You may change the amount and frequency of the payments or request additional payments by instructing the Trustee in writing in a form satisfactory to the Trustee. If you do not specify the amount and frequency of payments to be made in a year or the amount that you specify is less than the Minimum Amount for a year, the Trustee will make a payment or payments as it deems necessary to ensure that the Minimum Amount for that year is paid to you. The Trustee may transfer or realize any investment of your Plan selected by it for the purpose of making a payment to you and will not be liable for any resulting loss. Payments will be made net of all proper charges including tax required to be withheld. If your Plan does not have sufficient cash to pay these charges, the Trustee will be entitled to require you to pay these charges. The Trustee may impose any other requirements and conditions in respect of the foregoing. A payment to you will be deemed to have been made when: (a) a cheque payable to you is mailed in a postage pre-paid envelope addressed to you at the address provided on your Application or subsequently provided by you or a Dealer in a notice to the Trustee; or (b) an amount is electronically transferred to the credit of a bank account designated by you.

9. **Calculation of the Minimum Amount:** The Minimum Amount will be zero in the first calendar year of your Plan and for each subsequent year will be calculated in accordance with the provisions of the Tax Act. You may elect to base the Minimum Amount on your age or your spouse's age. This election is binding and cannot be changed, revoked or amended under any circumstances.
10. **Transfers from your Plan:** Following receipt of satisfactory instructions from you or a Dealer, the Trustee will transfer all or part of the assets of your Plan (less all proper charges and any amount that the Trustee is required by the Tax Act to retain to ensure the payment of the Minimum Amount) to the issuer or agent of the issuer of an RRSP, RRIF or life annuity that conforms with the Tax Act, as instructed. The Trustee will not transfer the assets of your Plan to an RRSP after December 31 of the year you reach the maximum age for maturity under an RRSP specified by the Tax Act. If the Trustee receives instructions to transfer some of the assets of your Plan, it may request instructions to transfer all the assets of your Plan and may delay the transfer until after it receives the requested instructions. If the Trustee has not received the requested instructions within 30 days of its request or if the issuer of the recipient plan refuses to accept the transfer of any assets of your Plan, the assets that have not been transferred may, at the option of the Trustee, be transferred or paid to you (less taxes required to be withheld and any other proper charges). The Trustee will make an effort to provide the issuer of any recipient plan with all relevant information in its possession. The Trustee will make an effort to sell or transfer specific investments of your Plan to effect the transfer as instructed. In the absence of satisfactory instructions, the Trustee may sell or transfer any investments of your Plan selected by it to effect the transfer and will not be liable for any resulting loss. The transfer of assets will be made subject to any restrictions under the Tax Act or the terms and conditions of the investments of your Plan.
11. **Beneficiary Designation:** If you are domiciled in a jurisdiction which by law permits you to validly designate a beneficiary other than by Will, you may designate: (a) your spouse as successor annuitant of your Plan; or (b) a beneficiary to receive the proceeds of your Plan in the event of your death. You may make, change or revoke your designation by written notice to the Trustee signed by you in a form acceptable to the Trustee. Any designation, amended designation or revoked designation will be valid on the day following its receipt by the Trustee.
12. **Death:** Upon receipt of satisfactory evidence of your death, the Trustee will continue payments to your spouse provided he or she is the successor annuitant of your Plan. If your spouse becomes the successor annuitant of your Plan, he or she will be deemed to be the annuitant of your Plan with the same rights as if he or she had been the original annuitant. If your spouse is not the successor annuitant, the Trustee will hold the assets of your Plan for payment in a lump sum to your designated beneficiary if that person was living on the date of your death. If you have not designated a beneficiary or if your designated beneficiary predeceases you, the assets of your Plan will be paid to your legal representatives. The lump sum payment will be paid subject to the deduction of all proper charges after the Trustee receives all releases and other documents that it requests.
13. **Prohibition:** Except as specifically permitted under the Tax Act, no advantage that is conditional in any way on the existence of your Plan may be extended to you or a person with whom you do not deal at arm's length. You may not engage in any transaction, investment, payment or transfer which is or may be an advantage, an RRSP strip or a swap transaction under Part XI.01 of the Tax Act. Payments from the retirement income under your Plan may not be assigned in whole or in part. The assets of your Plan may not be used as security for a loan except as permitted by the Trustee. The Trustee will not make any payments from your Plan except those specifically permitted under the provisions of this declaration or the Tax Act or required by law. The Trustee reserves the right to prohibit any transaction, investment, payment or transfer, whether an advantage, an RRSP strip or a swap transaction under the Tax Act, or such other payment or transfer which is or may be prohibited or penalized under the Tax Act.
14. **Date of Birth and Social Insurance Number:** The statement of your and, if applicable, your spouse's birth date and social insurance number on your Application is deemed to be a certification of its truth and your undertaking to provide proof if requested by the Trustee.
15. **Accounting and Reporting:** The Trustee will maintain an account of your Plan reflecting, with appropriate dates: (a) transfers to your Plan; (b) the name, number and cost of investments purchased or sold by your Plan; (c) dividends, interest and other distributions received by your Plan; (d) cash; (e) withdrawals, transfers and expenses paid from your Plan; (f) the balance of your account; and (g) the minimum and maximum amount that may be paid out of your Plan. 17. **Tax imposed on you or your Plan:** If your Plan becomes liable for tax, interest or penalties under the Tax Act or provincial legislation, the Trustee may sell any investment of your Plan to pay the liability. The Trustee may, but is not obliged to, sell or otherwise dispose of any investment of your Plan to avoid or minimize the imposition of tax, interest or penalties on you or your Plan. Except for those taxes, interest and penalties imposed on the Trustee by the Tax Act that are not reimbursable to the Trustee from your Plan under the Tax Act, if any, the Trustee shall not be liable for any tax, interest or penalty imposed on you or your Plan. Any amendment to ensure that your Plan continues to comply with the Tax Act or other legislation will be effective without notice. Any other amendment will be effective not less than 30 days after notice has been provided to you.
23. **Successor Trustee:** The Trustee may resign and be discharged from all duties and liabilities under this declaration by giving written notice to the Administrator. The Administrator is initially nominated to appoint a company as successor trustee. The Trustee will comply with the relevant pension legislation.
3. **Purpose:** The Trustee will hold transfers accepted by it for your Plan, investments made with those amounts and any income and capital gains realized in respect of those investments in trust for the purposes of providing you with a pension in accordance with the Tax Act and pension legislation. The assets of your Plan may not be withdrawn, commuted or surrendered except as permitted by the Tax Act and pension law.

For the first fiscal year of your Plan, the Minimum Amount is zero. Every fiscal year, you must give instructions to the Trustee specifying the amount to be paid out of your Plan (Payment Instructions). In addition to the amount, Payment Instructions should specify the frequency of the payments for the year and if applicable, should include any portion of the payment to be made in accordance with section 8 of this Locking-in Supplement [Increasing the Maximum Amount paid to a Young Annuitant]. Payment Instructions may vary from year to year. Payment Instructions are to be provided and payments are to be made in accordance with the Declaration. Payment Instructions must be given within a reasonable time prior to the beginning of the fiscal year to which they relate. Payment Instructions expire at the end of the fiscal year to which they relate. However, if the Trustee does not receive renewed Payment Instructions from you for the next fiscal year, the Trustee will pay the Minimum Amount for that fiscal year or, at the Trustee's sole discretion, continue to act on the most recent Payment Instructions received from you as if these were still effective, so long as the payment amount is at or above the required minimum for the fiscal year and doing so would not contravene pension legislation.
7. **Calculation of Maximum Amount under a LIF, RLIF or LRIF:** If your Plan is a LIF, RLIF or LRIF, the Maximum Amount for a year will not be less than the Minimum Amount and will be calculated as at the beginning of each year in accordance with pension legislation and may be recalculated from time to time during the year if permitted by pension legislation.
   (a) If your Plan is a Federal LIF or RLIF the Maximum Amount for a year must not exceed the amount determined by the formula C/F, where
      C = the value of the assets in your Plan:
         (i) on the first day of the calendar year; or
         (ii) if the value at the beginning of the calendar year is zero, at the date the initial amount was transferred into the Plan; and
      F = the value, as at the beginning of the calendar year, of a pension benefit of which the annual payment is $1, payable on January 1 of each year between the beginning of that calendar year and December 31 of the year in which you reach age 90, established using an interest rate that
         (iii) or the first 15 years after January 1 of the year in which the Plan is valued, does not exceed the rate obtained on long-term bonds issued by the Government of Canada for the November before the year of valuation, as compiled by Statistics Canada and available on the Bank of Canada website as V122487 (formerly published in the Bank of Canada Review as CANSIM Series B-14013), and
         (iv) using a rate not exceeding 6% for subsequent years.
   (b) If your Plan is a New Brunswick LIF the Maximum Amount for a year must not exceed the amount determined by the formula C/F, where
      C = the balance of the assets in your Plan on the first day of the fiscal year; and
      F = the value, on the first day of the fiscal year, of a pension, the annual payment of which is $1 payable on the first day of each fiscal year between the first day of the fiscal year and December 31, inclusive, of the year in which you reach age 90, established using an interest rate
         (i) of not more than 6% per year, or
         (ii) for the first 15 years after January 1 of the year in which the Plan is valued, an interest rate exceeding 6% per year if that rate does not exceed the rate obtained on long-term bonds issued by the Government of Canada for the November before the year of valuation, as compiled by Statistics Canada and available on the Bank of Canada website as V122487 (formerly published in the Bank of Canada Review as CANSIM Series B-14013).
8. **Collapsing a Small LIF, RLIF or LRIF:** You may withdraw the total value of the Plan assets as a lump sum, if
   (a) where your Plan is a Federal LIF or Federal RLIF, in the calendar year in which you reach age 55, or in any subsequent calendar year,
      (i) you certify that the aggregate value of the assets in all your Federal Locked-in RSPs, Federal LIFs, Federal RLSPs and Federal RLIFs is less than or equal to 50% of the YMPE; and
      (ii) you provide the Trustee with completed Forms 2 and 3 as required by Federal pension legislation.

   The Trustee will make a lump-sum payment from your Plan equal to the value of your Plan after receiving your request, signed declaration, waiver, or attestation in the form and manner required by pension legislation and satisfactory evidence that all the necessary conditions stipulated by pension legislation are satisfied.
9. **Collapsing your LIF, RLIF or LRIF after you become a Non-resident:** Where Federal, New Brunswick pension legislation governs your Plan, the Trustee will make a lump-sum payment to you from your Plan equal to the value of your Plan after receiving:
   (a) your request;
   (b) any document or information required by pension legislation;
   (c) satisfactory written evidence that the Canada Revenue Agency has determined that you (and where New Brunswick pension legislation governs your Plan, your spouse) are a non-resident of Canada for the purposes of the Tax Act;
   (d) where New Brunswick pension legislation governs your Plan, satisfactory written evidence that you and your spouse, if any, are not Canadian citizens;
   (e) where New Brunswick pension legislation governs your Plan, a waiver from your spouse in the form required by pension legislation; and
   (f) where Federal pension legislation governs your Plan, the Trustee will not make the payment until you have been absent from Canada for at least two years.
10. **Shortened Life Expectancy:** If your Plan is a Federal LIF or RLIF, or a New Brunswick LIF the Trustee will make a payment or series of payments to you to enable a full or partial withdrawal of the assets in your Plan which, in total, may be greater than the Maximum Amount for the years in which payments are made, but only to the extent and in the manner permitted by pension legislation, after receiving: (a) a request;
   (b) written certification from a physician certifying that you are subject to a physical disability or, where contemplated by pension legislation, an illness or mental disability, that considerably reduces your life expectancy;
   (c) where New Brunswick pension legislation governs your Plan, a waiver from your spouse in the form and manner required by pension legislation; and
   (d) any other document or information required by pension legislation.
11. **Financial Hardship:** If Federal pension legislation governs your Plan, you may withdraw an amount from your Plan up to the lesser of the amount determined by the formula M+N and 50% of the YMPE minus the aggregate amount of any other financial hardship withdrawals under Federal pension legislation made in the calendar year from any Federal Locked-in RSP, Federal RLSP, Federal LIF, or Federal RLIF you hold, where
   M = the total amount of the expenditures that you expect to make on medical or disability related treatment or adaptive technology for the calendar year, and
   N = the greater of zero and the amount determined by the formula P-Q,
   where;
   P = 50% of the YMPE, and
   Q = two thirds of your total expected income for the calendar year determined in accordance with the Tax Act, excluding withdrawals in the calendar year for financial hardship from any Federal Locked-in RSP, Federal RLSP, Federal LIF, or Federal RLIF you hold.

   Provided,
   (a) you certify that you have not made a financial hardship withdrawal under Federal pension legislation in the calendar year from any Federal Locked-in RSP, Federal RLSP, Federal LIF, or Federal RLIF you hold, other than within the last 30 days before such certification,
   (b) if the value of M is greater than zero,
      (i) you certify that you expect to make expenditures on medical or disability-related treatment or adaptive technology for the calendar year in excess of 20% of your total expected income for that calendar year determined in accordance with the Tax Act, excluding withdrawals in the calendar year for financial hardship from any Federal Locked-in RSP, Federal RLSP, Federal LIF, or Federal RLIF you hold.
      (ii) a physician certifies that such medical or disability-related treatment or adaptive technology is required, and
   (c) you provide the Trustee with completed Forms 1 and 2 as required by Federal pension legislation.

   High medical or disability-related costs

   For financial hardship unlocking based on medical or disability-related costs, these expected costs must be of 20% or more of your expected income for the current calendar year. You may withdraw an amount up to the full medical or disability-related costs subject to a maximum amount of 50% of the YMPE.
12. **Spousal Payments after Relationship Breakdown:** The assets of your Plan and any life annuity established with the assets of your Plan may be subject to division under family law and pension law. After receiving satisfactory evidence of entitlement and confirmation that a payment is not prohibited by pension law, a payment or payments will be made out of your Plan but only to the extent and in the manner permitted by law: (a) to effect a division of assets provided the payment is made pursuant to applicable marital property legislation; or (b) pursuant to an execution, seizure, attachment or other process of law in satisfaction of an order for support or maintenance. Within the limits permitted by pension legislation, the Trustee may deduct from your Plan its cost of complying with an order for support or maintenance.
13. **Spousal Entitlement to Survivor Benefits after Relationship Breakdown:**
   (1) Your spouse's entitlement to survivor benefits:
      (a) may end upon divorce, annulment, or separation;
   (2) Notwithstanding subsection 14(1) of this Locking-in Supplement, your former spouse is entitled to survivor benefits:
      (a) if named as a beneficiary of your Plan;
      (b) if applicable pensions legislation is satisfied.

Locking-in Supplement for a LIF, RLIF, PRIF or LRIF (continued)

14. Special transfers from your New Brunswick LIF or Federal RLIF to a non-locked-in plan:

(1) Where New Brunswick pension legislation governs your Plan, on one occasion during your lifetime, you may transfer an amount (in addition to and separate from the Maximum Amount)from your Plan to a RRIF that is not a locked-in plan if:
- (a) you obtain the written approval of the New Brunswick Superintendent of Pensions; and
- (b) the amount is no more than the lesser of:
  - (i) 3 times the Maximum Amount for the fiscal year; and
  - (ii) 25 percent of the value of your Plan on the first day of the fiscal year.

(2) If your Plan is a Federal RLIF and it is established in the calendar year in which you reach 55 years of age or in any subsequent calendar year, within 60 days after the establishment of your Plan, you may transfer 50% of the assets in your Plan to a RRSP or a RRIF that are not Federal locked-in plans if:
- (a) your Plan was created as the result of the transfer of a pension benefit credit from a RPP or a transfer from a Locked-in RSP or a LIF, governed by Federal pension legislation; and
- (b) you provide the Trustee with a completed Form 2 as required by Federal pension legislation.

15. Other Transfers from your Plan: Subject to any restrictions imposed by the Tax Act or pension legislation, all or any part of the assets of your Plan may be transferred to the issuer of a RPP, LIRA/Locked-in RSP, RLSP, LIF, RLIF, PRIF, LRIF, PRPP or life annuity. Before transferring assets from your Plan, the Trustee will:
- (a) confirm that the transfer is permitted under pension legislation and the Tax Act;
- (b) confirm that the issuer of the recipient plan is on the list of acknowledged financial institutions and the recipient plan is on the list of LIRAs/Locked-in RSPs, RLSPs, LIFs, RLIFs, PRPP or LRIFs if such a list is maintained by the applicable pension regulator;
- (c) notify the issuer of the recipient plan of the locked-in (or, for a transfer to a PRIF, the non-locked-in) status of the assets being transferred and the pension legislation that governs the assets; and
- (d) obtain the commitment of the issuer of the recipient plan to administer the transferred assets according to pension legislation. The Trustee will comply with any other requirement imposed by pension legislation. The Trustee will endeavour to transfer assets as requested within 30 days after receiving satisfactory instructions and any other documentation that it considers necessary.

16. Life Annuity: A life annuity established with the assets of your Plan must comply with pension legislation in addition to the rules imposed by the Tax Act. A life annuity established with the assets of your Plan must be established for your life. However, if you have a spouse on the date contemplated by pension legislation and the Tax Act, the life annuity must be established for the life of the survivor of you and your spouse unless your spouse is not entitled by virtue of a breakdown of your relationship or a spousal waiver has been provided in the form and manner required by pension legislation and has not been revoked. Your spouse's right to a life annuity as your survivor may be waived in the form and manner stipulated by pension legislation before payments under the life annuity begin. The waiver may be revoked in accordance with pension legislation. Where required by pension legislation, an insurer must guarantee payments under the life annuity but not for a period longer than 90 years minus the age of you or your spouse at the time the life annuity was acquired. The life annuity may not differentiate based on your gender except to the extent permitted by pension legislation.

17. Beneficiary Designation: The designation of a person other than your spouse as the beneficiary of your Plan will not be valid if you have a spouse who is entitled to survivor benefits under your Plan because of pension legislation. Your spouse's right to be the beneficiary of your Plan may be waived (and the waiver may be revoked) in the form and manner stipulated by pension legislation.

18. Death: Following your death, the assets of your Plan will be paid to the person who was your spouse on the date of your death or will be used to provide that person with a pension unless that person is not entitled to survivor benefits under pension legislation. If pension legislation permits or requires that person to receive survivor benefits in a form other than a lump-sum payment, that person may instruct the Trustee to:
- (a) continue the payments referred to in section 6 [Retirement Income] of this Locking-in Supplement to him or her provided that person is the successor annuitant of your Plan; or
- (b) transfer the assets of your Plan to the issuer of a RRSP, LIRA/Locked-in RSP, RLSP, RRIF, LIF, RLIF, LRIF, PRPP or life annuity as permitted by pension legislation and the Tax Act. If you did not have a spouse on the relevant date or if your spouse is not entitled to survivor benefits under pension legislation, the assets of your Plan will be paid to your designated beneficiary, if that person was living at the date of your death and if not, to your legal representatives. The assets of your Plan will be paid out of your Plan within 60 days after the Trustee receives all releases and other documents that it requests. If the Trustee has not received satisfactory instructions by that date, the Trustee may transfer the assets of your Plan as permitted or required by pension legislation and the Trustee will not be liable for any resulting loss.

19. Other Payments or Transfers: The Trustee will make a lump sum or series of payments or transfers from your Plan not otherwise provided for in this Locking-in Supplement but only in the manner and to the extent specifically permitted by pension legislation and only after receiving your request and any documents and information required by it and pension legislation.

20. Fiscal Year: The fiscal year of your Plan will end on December 31 of each year and may not exceed 12 months.

21. Valuation: On any given day, the value of your Plan will be determined based on the value of the assets held in your Plan at the close of business on that day net of any fees or expenses properly chargeable to your Plan.

22. Statements: You will be sent a statement of your account together with any additional information required by pension legislation:
- (a) following the end of each fiscal year of your Plan;
- (b) as of the date of a transfer of assets out of your Plan;
- (c) any other time required by pension legislation; and
- (d) following receipt of your request. Your spouse, designated beneficiary or legal representatives, as applicable, will be given a statement of your account as of the date of your death.

23. Assignment and Seizure: The assets of your Plan and payments from your Plan may not be assigned, charged, alienated, anticipated, given as security, or subjected to execution, seizure or attachment, except as permitted by the Tax Act and pension law. A transaction that is contrary to this section is void.

24. Amendments: From time to time the Trustee may amend the Declaration (including this Locking-in Supplement) provided that the amendment does not disqualify your Plan as a LIF, RLIF, PRIF or LRIF, as applicable, and, if required by law, the amendment is approved by the authorities administering the Tax Act and pension legislation. Where New Brunswick pension legislation governs your Plan, no amendment will be made that will reduce your benefits under your Plan unless the amendment is required to cause your Plan to comply with the law. Amendments that do not reduce your benefits but are required to ensure that your Plan continues to comply with the law will be effective without notice. Any other amendment will be effective not less than 30 days (or 90 days where required by pension legislation) after notice has been provided to you. Where required by pension legislation, you will also be provided with notice of your entitlement to transfer assets out of your Plan.

Your maximum annual income from the LIF

18(1) Subsection (2) applies when the rate of return for the LIF is not guaranteed beyond the end of the year. If the LIF's rate of return is guaranteed for a multi-year period, subsection (2) applies to the first year of the period, and subsection (3) applies to each year of the period after the first year.

18(2) The total of the amounts to be paid to you out of the LIF for a fiscal year must not exceed the amount determined by clause (a) or the amount determined by (b), whichever is greater:

(a) the amount determined by the following formula:

Maximum amount = F × (B + T)

In this formula,

F is the factor (from the table at the end of this addendum) that corresponds to the reference rate for the year and your age at the end of the immediately preceding year,

B is the balance of the LIF at the beginning of the year,

T is the total of all amounts transferred to the LIF in the year, other than amounts transferred directly or indirectly from another LIF, a PRPP account or a VB account;

(b) the total of

(i) the income and gains, net of losses, earned in the LIF in the immediately preceding year, and

(ii) 6% of all amounts transferred to the LIF during the current year, other than amounts transferred directly or indirectly from another LIF, a PRPP account or a VB account.

18(3) The total of the amounts to be paid to you out of the LIF for the second or subsequent fiscal year of a multi-year period for which the LIF's rate of return is guaranteed must not exceed the maximum determined by the following formula:

Maximum amount = $M \times B_1/B_2$

In this formula,

M is the maximum amount payable to you for the first year of the multi-year period (which is determined under subsection 18(2);

B_1 is the LIF balance at the beginning of year;

B_2 is the reference balance as at the beginning of the year, calculated as

(a) the reference balance as at the beginning of the previous year, minus M, plus

(b) the amount determined under clause (a) multiplied by the reference rate for the year, if it is one of the first 16 fiscal years of the LIF, or by 6% in any other case.

For the purpose of clause (a), in determining the maximum payable in the second year of the multi-year period, the reference balance as at the beginning of the previous year is the LIF balance at the beginning of the period.

18(4) If the maximum determined under subsection (2) or (3) is less than the minimum amount that the *Income Tax Act* (Canada) requires you to receive from the LIF, you must be paid the minimum.

18(5) For the purpose of subsections (2) and (3), "**reference rate**" for a year means the greater of 6% and the percentage determined for the year by

(a) adding 0.5% to the average yield as at November 30 of the immediately preceding year, as published by the Bank of Canada in the *Bank of Canada Review* and expressed as a percentage, for Government of Canada long-term bonds identified as CANSIM Series V 122487; and

(b) converting the rate determined under clause (a), based on semi-annual compounding of interest, to an effective annual rate of interest, and rounding it to the nearest multiple of 0.5%.

DEATH OF OWNER

Death benefit

19(1) Upon your death, the balance in the LIF is payable as a death benefit to the person entitled to it under this section.

19(2) The death benefit is payable to your surviving spouse or common-law partner if

(a) you are a member-owner;

(b) immediately before your death, you and your spouse or common-law partner were not living separate and apart from each other by reason of a breakdown in your relationship; and

(c) the Issuer has not received a death benefit waiver signed the spouse or common-law partner that has not been revoked.

19(3) For the purpose of clause (2)(c), "**death benefit waiver**" includes the following:

(a) a waiver under section 20;

(b) a waiver under subsection 21(26.3) of the Act in respect of a pension benefit credit to which the balance in this LIF is directly or indirectly attributable; and

(c) a waiver under section 10.25 of Division 2 of Part 10 of the regulation in respect of a LIRA to which the balance in this LIF is directly or indirectly attributable.

19(4) If the death benefit is not payable to your surviving spouse or common-law partner, it is payable to your designated beneficiary or, if you have not designated a beneficiary, to your estate.

19(5) Within 90 days after receiving the necessary documentation, the Issuer must pay the death benefit as a lump sum to the person entitled to it. But, if that person is your spouse or common-law partner, he or she may, subject to the *Income Tax Act* (Canada), direct the Issuer to transfer it directly to an RRSP or RRIF, and the Issuer must transfer it accordingly.

Death benefit waiver

20(1) Your spouse or common-law partner may, before or after your death, waive his or her entitlement or potential entitlement to the death benefit in accordance with section 10.41 of Division 2 of Part 10 of the regulation (death benefit under LIF). Upon request by you or your spouse or common-law partner, the Issuer must provide the information and form required for the waiver.

20(2) A death benefit waiver may be revoked by you and your spouse or common-law partner by signing a joint revocation of that waiver and filing it with the Issuer.

LUMP SUM WITHDRAWALS

Overview — when you may withdraw balance

21(1) Under the regulation, you might be entitled to withdraw the balance of your LIF in the following circumstances:

(a) you are a non-resident of Canada for the purposes of the *Income Tax Act* (Canada) and have had that status for at least two years (*see Division 5 of Part 10 of the regulation*);

(b) the total of the Manitoba locked-in money in all your LIFs and LIRAs, plus interest at the prescribed rate to the end of the year in which you turn 65, is less than 40% of the YMPE for the year in which you apply for the withdrawal (*see Division 6 of Part 10 of the regulation*);

(c) you have a shortened life expectancy of less than two years (*see Division 7 of Part 10 of the regulation*);

(d) you are 55 or older and you make a request for a once in a lifetime withdrawal of up to 50% of the balance in your LIFs and pension plan, if the plan permits (*see Division 4 of Part 10 of the regulation*).

21(2) If any of these circumstances apply to you, you may request the Issuer to provide the information and forms necessary for you to apply for a withdrawal. Subject to the regulation, the Issuer must provide you with the relevant information and forms.

Upon receipt of locked-in pension assets pursuant to the Pension Benefits Act, 1997 (Newfoundland & Labrador), and in accordance with the instructions of the Planholder to transfer the assets to a Newfoundland & Labrador Life Income Fund, the Plan Carrier and Planholder agree that the provisions of this Addendum are appended to and form additional terms of the retirement income fund declaration of trust.

1. **Pension Legislation.** For the purposes of this Addendum, the word "Act" means the Pension Benefits Act, 1997 (Newfoundland & Labrador), the word "Regulations" means the Pension Benefits Act Regulations made under the Act and the word "Directives" means the Directives made under the Act.
2. **Definitions.** All terms in this Addendum which are used in the Act, Regulations or Directives have the same meaning as under the Act, Regulations or Directives. In this Addendum, "Plan" means the above-named retirement income fund, governed by the declaration of trust and the additional terms of this Addendum. "Planholder" means the planholder, accountholder or annuitant under the declaration of trust and application form and includes the "owner" as that term is used in Directive No. 5. "Locked-In Assets" means all the assets in the Plan at any time and includes any interest or other earnings realized or accrued to that time. "Financial institution" means the underwriter, depositary or issuer of a LIF. "Fiscal year" means a fiscal year of the LIF. "LIF" means a registered retirement income fund established in accordance with the Income Tax Act (Canada) that is locked-in in accordance with the Regulations and meets the conditions set out in Directive No. 5, known as Life Income Fund. "Life Annuity Contract" means an arrangement made to purchase, through a person authorized under the laws of Canada or a province to sell annuities as defined in the Income Tax Act (Canada), a non-commutable pension, in accordance with Directive No. 6, that will not commence before that person attains the age of 55 years, or, if that person provides evidence to the satisfaction of the financial institution that the plan or any of the plans from which the money was transferred provided for payment of the pension at an earlier age, that earlier age.
3. **Spouse, Cohabiting Partner and Principal Beneficiary.** The word "Spouse" means a person who:
   (a) is married to the Planholder,
   (b) is married to the Planholder by a marriage that is voidable and has not been voided by a judgment of nullity, or
   (c) has gone through a form of a marriage with the Planholder, in good faith, that is void and is cohabiting or has cohabited with the Planholder within the preceding year.

   The word "Cohabiting Partner" means a person who:
   (a) in relation to a Planholder who has a Spouse, is not the Spouse of the Planholder who has cohabited continuously with the Planholder in a conjugal relationship for not less than 3 years, or

Newfoundland & Labrador Addendum for Life Income Fund (LIF) (continued)

the Planholder within the preceding year.

The word "Principal Beneficiary" means the Spouse of a Planholder or where the Planholder has a Cohabiting Partner, the Planholder's Cohabiting Partner.

Notwithstanding anything to the contrary contained in the Plan, for the purposes of any provision of the Income Tax Act (Canada) respecting registered retirement income funds, "Spouse", "Cohabiting Partner" and "Principal Beneficiary" do not include any person who is not recognized as a spouse or common-law partner under the Income Tax Act (Canada).

4. **Transfers into the Plan.** The only assets that may be transferred into the Plan are assets originating, directly or indirectly, from:
   (a) the pension fund of a registered pension plan that conforms with the Act and the Regulation;
   (b) a Locked-In Retirement Account that conforms with Directive No. 4;
   (c) another Life Income Fund that conforms with Directive No. 5; or
   (d) a Locked-In Retirement Income Fund that conforms with Directive No. 17.

   Any transfer into the Plan must be on a tax-deferred basis under the Income Tax Act (Canada).
5. **Who May be a Planholder – Consent of Principal Beneficiary.** The following persons may become Planholder under a Plan with this Addendum:
   (a) a member or former member of the pension plan who has obtained the written consent of his or her Principal Beneficiary, if any; or
   (b) the Principal Beneficiary or former Principal Beneficiary of a member or former member if the Principal Beneficiary or former Principal Beneficiary is entitled to a pension benefit as a result of the death of the member or former member or as a result of marriage breakdown.
6. **Transfers Out of the Plan.** The Planholder may transfer any or all of the Locked-In Assets:
   (a) to another Life Income Fund that conforms with Directive No. 5;
   (b) to a Locked-in Retirement Income Fund that conforms with Directive No.17;
   (c) in accordance with paragraph 60(l) of the Income Tax Act (Canada), to purchase an immediate life annuity that meets the requirements of the Superintendent); or
   (d) before the December 31st of the year in which the Planholder reaches 71 years of age, to a Locked-In Retirement Account that conforms with Directive No. 4.

   In accordance with paragraphs 146.3(2)(e) and (e.2) of the Income Tax Act (Canada), the Plan Carrier will retain sufficient Locked-In Assets to satisfy the requirement to pay the minimum amount to the Planholder for the year.

   Subject to paragraph 22 of this Addendum, the Plan Carrier agrees to make such a transfer within 30 days after the Planholder requests it.
7. **Investment and Value of Locked-In Assets.** The Locked-In Assets shall be invested and re- invested on the direction of the Planholder as provided in the declaration of trust. The value of the Locked-In Assets at any time will be determined by the Agent's regular reporting practice.
8. **Fiscal Year of Plan.** The fiscal year of the Plan ends on December 31 of each year and must not exceed 12 months.
9. **Payment Out of the Plan.** Payment out of the Plan must not begin before the earlier of age 55 or the earliest date on which the Planholder who is the member could receive a pension benefit under the Act or the originating pension plan from which the Locked-In Assets were transferred. Payment must not begin later than the last day of the second fiscal year.
10. **Amount and Frequency of Payments.** The Planholder must decide the amount to be paid out to the LIF each year, either at the beginning of the fiscal year of the LIF or at another time agreed to by the financial institution and the decision expires at the end of the fiscal year to which it relates. The Planholder must notify the Plan Carrier by instructions of the amount and frequency of the payments for each fiscal year. If the Planholder does not decide the amount to be paid out of the LIF for a year, the minimum amount determined under paragraph 11 of this addendum shall be deemed to be the amount paid. If the Planholder does not give instructions as to the frequency of the payments, the amount will be paid in one payment at the end of the fiscal year.

    The instructions must be given within a reasonable time prior to the beginning of the fiscal year to which they relate, or at another time if the Plan Carrier agrees. With the consent of the Plan Carrier, the Planholder may change the amount and frequency of the payments or request additional payments by instructing the Plan Carrier.

    If the Planholder provided instructions regarding the amount and frequency of payments in a prior year, the Plan Carrier or the Agent may continue to apply these instructions to the payment of future amounts (assuming that these instructions remain acceptable under the applicable legislation and that the Planholder does not provide any new instructions).

    The Planholder must give the Plan Carrier instructions as to which of the Locked-In Assets to sell where required in order to ensure that there is sufficient cash in the Plan to make the payments. If the Plan Carrier does not receive the instructions within a reasonable time before a payment is required, the Plan Carrier may sell any of the Locked-In Assets that the Plan Carrier, in its discretion, considers appropriate to provide the required cash; and the Plan Carrier will not be liable for any loss that may result from this action, including but not limited to investment losses or diminution of the Locked-In Assets, or for any related investment or administration expenses.
11. **Amount of Annual Income.** The amount of income paid out of the Plan during a fiscal year must not be less than the minimum amount prescribed for registered retirement income funds under the Income Tax Act (Canada). The amount of income paid out of the Plan during a fiscal year must not exceed "maximum" being the greater of (i) and (ii) as follows:
    (i) the amount calculated using the following formula C/F

    In which

    C = the value of the Locked-In Assets in the Plan at the beginning of the fiscal year; and

    F = the present value, at the beginning of the fiscal year, of a pension of which the annuity payment is $1 payable at the beginning of each fiscal year between that date and the 31st day of December of the year in which the Planholder reaches 90 years of age, and

    (ii) the amount of the investment earnings, including any unrealized capital gains or losses, of the Plan in the immediately preceding fiscal year.
12. **Value of F.** The value of F in paragraph 11 of this Addendum is calculated as follows:
    (a) the amount F must be established at the beginning of each fiscal year of the Plan using an interest rate of not more than 6%;
    (b) for the 15 years after the date of the valuation, the value of the pension may be determined by using a percentage that is greater than 6%, and less than or equal to the percentage obtained on long-term bonds issued by the Government of Canada for the month of November preceding the date of the valuation, as compiled by Statistics Canada and published in the Bank of Canada Review under identification number V122487 in the CANSIM System.
13. **Additional Temporary Income.** Subject to paragraph 14 of this Addendum, the Planholder is entitled to receive additional temporary income. The application for additional temporary income shall be on a form prescribed by the Superintendent and, where the Planholder is a former member of a pension plan, accompanied by the written consent of the Principal Beneficiary of the former member. The application must be submitted to then Plan Carrier at the beginning of the fiscal year of the Plan, unless otherwise permitted by the Plan Carrier.

    The Planholder may receive additional temporary income where:
    (a) the total pension income received by the Planholder for the calendar year in which the application is made, calculated as "B" under paragraph 14 of this Addendum, is less than 40% of the year's maximum pensionable earnings ("YMPE") under the Canada Pension Plan ("CPP") for the calendar year in which the application is made; and
    (b) the Planholder has not reached his or her 65th birthday at the beginning of the fiscal year in which he or she makes application for additional temporary income.
14. **Amount of Additional Temporary Income.** The amount of the additional temporary income paid out of the Plan in a fiscal year must not exceed the "maximum" in the following formula:

    Maximum Temporary Income = A- B

    in which

    A = 40% of the YMPE under the CPP for the calendar year in which an application is made; and

    B = the total pension income to be received by the Planholder for the calendar year in which the application is made from all LIFs, LRIFs, Life Annuities and pension plans governed by Newfoundland & Labrador pension benefits legislation or established by or governed by an Act of Canada or a Province, except income from a pension under the Canada Pension Plan.
15. **Initial Year.** For the initial year of the Plan, the "maximum" in paragraphs 11 and 14 of this Addendum shall be adjusted in proportion to the number of months in that fiscal year divided by 12, with any part of an incomplete month counting as one month.

17. **Maximum Where Assets Transferred from Another LIF or LRIF.** If a part of the Locked-In Assets at the beginning of a fiscal year corresponds to assets transferred directly or indirectly during the same year from another Life Income Fund or Locked-Retirement Income Fund of the Planholder, the "maximum" in paragraph 11 and 14 of this Addendum shall be deemed to be zero.
18. **Withdrawal Where Shortened Life Expectancy.** The Planholder may withdraw Locked-In Assets as a lump sum or series of payments if a medical practitioner certifies that due to mental or physical disability the life expectancy of the Planholder is likely to be shortened considerably, but where the Planholder is a former member of a pension plan such payment may only be made if the Principal Beneficiary of the former member has waived the joint and survivor pension entitlement in a form and manner provided by the Superintendent.
19. **Withdrawal Where Small Amount.** The Planholder may withdraw all of the Locked-In Assets as a lump sum on application by the Planholder to the Plan Carrier for payment if, at the time the Planholder signs the application:

    An application under this paragraph shall be on a form approved by the Superintendent and, where the Planholder is a former member of a pension plan, accompanied by a waiver of the Principal Beneficiary of the former member of joint and survivor pension entitlement, in the form and manner required by the Superintendent.
20. **No Assignment etc.** Money payable under a Plan with this Addendum may not be assigned, charged, anticipated or given as security by the Planholder.
21. **Death of Planholder.** On the death of the Planholder who is a former member who has a Principal Beneficiary, the surviving Principal Beneficiary, or where there is no surviving Principal Beneficiary or the surviving Principal Beneficiary has waived entitlement in the form and manner required by the Superintendent, a designated beneficiary, or where there is no designated beneficiary, the estate of the member or former member is entitled to receive the full value of the Locked-In Assets as a lump sum. Where the Planholder is not a former member, the full value of the Locked-in Assets shall be paid to the designated beneficiary or, where there is no designated beneficiary, to the Planholder's estate.

    The Plan Carrier must receive satisfactory evidence of death, satisfactory evidence as to whether or not the Planholder had a spouse at the date of the Planholder's death, and any other documents as the Plan Carrier may require.

    (d) the maximum amount that may be paid out of the Plan to the Planholder during the current fiscal year, and
    (e) if applicable, notification that the Planholder may be entitled to receive additional temporary income under paragraph 13 in the current fiscal year.

    If the balance of the Locked-In Assets is transferred as described in paragraph 6 of this Addendum, the information described in clauses (a) to (e) must be provided to the Planholder determined as of the date of transfer. If the Planholder dies before the balance of the Locked-in Assets is used to purchase an immediate life annuity, the information described in clauses (a) to (e) must be provided to the person entitled to receive the balance of the Locked-In Assets determined as of the date of the Planholder's death.
24. **Indemnity.** Should the Plan Carrier and/or its Agent be required to make payments or to provide an annuity or a pension as a result of any Locked-In Assets being paid out or transferred otherwise than in accordance with the provisions of this Addendum, the Regulations, Directives or as may be required by applicable law, the Planholder will indemnify and hold harmless the Plan Carrier and/or the Agent to the extent that Locked-In Assets were previously received by or accrued to the benefit of any of them or the Planholder's estate. This indemnity will be binding upon the Planholder's legal representatives, successors, heirs and assigns.

If the Planholder does not give instructions as to the frequency of the payments, the amount will be paid in one payment at the end of the fiscal year.

With the consent of the Plan Carrier, the Planholder may change the amount and frequency of the payments or request additional payments by instructing the Plan Carrier.

    If the Planholder provided instructions regarding the amount and frequency of payments in a prior year, the Plan Carrier or the Agent may continue to apply these instructions to the payment of future amounts (assuming that these instructions remain acceptable under the applicable legislation and that the Planholder does not provide any new instructions).

    The Planholder must give the Plan Carrier instructions as to which of the Locked-In Assets to sell where required in order to ensure there is sufficient cash in the Plan to make the payments. If the Plan Carrier does not receive the instructions within a reasonable time before a payment is required, the Plan Carrier may sell any of the Locked-In Assets that the Plan Carrier, in its discretion, considers appropriate to provide the required cash; and the Plan Carrier will not be liable for any loss that may result from this action, including but not limited to investment losses or diminution of the Locked-In Assets, or for any related investment or administration expenses.

    2) Income payments from a LIF must begin no earlier than
        a) the earliest date that the owner would have been entitled to receive a pension under any pension plan from which the money was transferred; or
        b) if all of the money in a LIF is derived from sources other than a pension benefit provided in respect of any employment of the owner, the date the owner turns 55 years old.
    3) Income payments from a LIF must begin no later than the end of a LIF's 2nd fiscal year.

Amount of income payments from LIFs

5. 1) Subject to the minimum amount in Section 6 of this Schedule, an owner of a LIF must establish the amount of income to be paid during each fiscal year at the beginning of the fiscal year and after they have received the information required by Section 14 of this Schedule.
    2) Except as provided in subsection (5), an owner of a LIF must notify the financial institution providing the LIF of the amount to be paid out of the LIF each year and any owner who does not do so is deemed to have selected the minimum amount determined under Section 6 of this Schedule.
    3) The owner's notice required by subsection (2) must be given either
        a) except as provided in subsection (5), at the beginning of the fiscal year;
        b) at a time agreed to by the financial institution providing the LIF.
    4) The owner's notice required by subsection (2) expires at the end of the fiscal year to which it relates.
    5) If a financial institution providing a LIF guarantees the rate of return of the LIF over a period that is greater than 1 year, the period must end at the end of a fiscal year and the owner may establish the amount of income to be paid during the period at

the beginning of the period.

Minimum annual LIF withdrawal

6. 1) The amount of income that is paid out of a LIF during a fiscal year must not be less than the minimum amount prescribed for a registered retirement income fund by the federal *Income Tax Act*, determined on the basis of the owner's age or the age of the owner's spouse if the spouse is younger than the owner.
   2) Despite Sections 7, 8, 10, 11 and 12 of this Schedule, if the minimum amount specified by subsection (1) is greater than the maximum amount determined under those Sections for a fiscal year, then the minimum amount under subsection (1) must be paid out of the LIF during the fiscal year.

Pro-rating amount of withdrawal if initial fiscal year less than 12 months

7. If the initial fiscal year is less than 12 months long, the maximum amount determined under Sections 8, 10, 11 and 12 of this Schedule must be adjusted in proportion to the number of months in that fiscal year divided by 12, with any part of an incomplete month counting as 1 month.

Maximum annual life income from LIF that does not provide for temporary income

8. The maximum annual amount of life income to be paid each year from a LIF from which no temporary income is paid is determined by the following formula:

   maximum payable = F * B

   in which

   F = is the factor in Schedule 5: Life Income Fund – Factor F that corresponds to the reference rate for the fiscal year and the owner's age at the end of the previous year

   B = the balance of the LIF at the beginning of the fiscal year, increased by any money transferred to the LIF after the beginning of that fiscal year and reduced by any money transferred from another LIF, to the LIF, in the same year.

Withdrawal of temporary income from LIFs

9. 1) A LIF may provide that the owner is entitled to temporary income in accordance with this Section and Sections 10 and 11 of this Schedule.
   2) An owner of a LIF from which temporary income may be paid who is at least 54 years old but under 65 years old at the end of the calendar year before the date they apply, may apply in an approved form to the financial institution that provides a LIF for payment of temporary income from the LIF.
   3) Temporary income must not be paid under a LIF
      a) before the owner is 55 years old; and
      b) after the end of the year in which the owner turns 65 years old.
   4) Temporary income is not payable if any portion of a payment out of a LIF is transferred to a registered retirement savings plan or a registered retirement income fund.

Maximum temporary income for fiscal year

10. 1) Except as provided in subsection (2), the maximum temporary income that may be paid during a fiscal year out of a LIF from which temporary income may be paid must be the lesser of the following amounts:
      a) the amount calculated by the following formula:

         (50% of the YMPE) – T

         in which

         YMPE = the Year's Maximum Pensionable Earnings for the fiscal year

         T = the total of bridging benefits and other periodic income paid to the owner from a pension plan or annuity or from temporary income from other LIFs for that fiscal year;

      b) the amount calculated by the following formula:

         F * B *D

         in which

         F = is the factor in Schedule 5: Life Income Fund – Factor F that corresponds to the reference rate for the fiscal year and the owner's age at the end of the previous year

         B = the balance of the LIF at the beginning of the fiscal year, increased by any money transferred to the LIF after the beginning of that fiscal year and reduced by any money transferred from another LIF, to the LIF, in the same year

         D = the factor in Schedule 6: Life Income Fund – Temporary Income Factor D that corresponds to the owner's age at the end of the previous fiscal year.
   2) If the amount determined under clause (1)(b) is less than 50% of the Year's Maximum Pensionable Earnings, then the maximum temporary income paid out of a LIF during a fiscal year must be the lesser of the following amounts:
      a) the amount calculated under clause (1)(a);
      b) the balance of the LIF at the beginning of the fiscal year, increased by any money transferred to the LIF after the beginning of that fiscal year and reduced by any money transferred from another LIF to the LIF in the same year.

Maximum life income withdrawal from LIFs

11. The maximum life income to be paid from a LIF from which a temporary income is paid is determined by the following formula, provided that the maximum must not be less than zero:

    maximum payable = (F * B) - (Y ÷ D)

    in which

    F = the factor in Schedule 5: Life Income Fund – Factor F that corresponds to the reference rate for the fiscal year and the owner's age at the end of the previous year

    B = the balance of the LIF at the beginning of the fiscal year, increased by any money transferred to the LIF after the beginning of that fiscal year and reduced by any money transferred from another LIF, to the LIF, in the same year

    Y = the maximum annual temporary income determined under Section 10 of this Schedule

    D = the factor in Schedule 6: Life Income Fund – Temporary Income Factor D that corresponds to the owner's age at the end of the previous year.

Maximum annual income payable if financial institution guarantees rate of return of LIFs

12. 1) If a financial institution that provides a LIF guarantees the rate of return of the LIF over a period greater than 1 year and the owner establishes the amount of income to be paid during that period, the maximum income that may be paid during each of the fiscal years during the period must be determined at the beginning of each fiscal year in the period in accordance with this Section.
    2) For each year after the initial fiscal year, the maximum income to be paid for the fiscal year under a LIF described in subsection (1) is equal to the lesser of the following amounts:
       a) the balance of the LIF at the time of payment in that year;
       b) the amount determined by the following formula:

          maximum income = (I * B) ÷ RB

          in which

          I = the maximum income determined for the initial fiscal year under Section 11 of this Schedule

          B = the balance of the LIF at the beginning of the fiscal year

          RB = the reference balance determined at January 1 of the year as calculated under subsection (3).
    3) For the formula in clause (2)(b), the reference balance ("RB") must be calculated by the following formula:

       RB = (PRB - I) + ((PRB - I) * RR/100)

       in which

       PRB = the reference balance

       i) at the beginning of the previous year, or

       ii) for the 2nd year of the period, the LIF balance at the beginning of the 1st year of the period

       I = the maximum income determined for the initial fiscal year

       RR = the reference rate for the year, if the fiscal year is one of the first 16 fiscal years of the LIF, or by 6% for any other year.

Income in excess of maximum

13. If income paid to an owner under a LIF during a fiscal year exceeds the maximum that may be paid, the balance of the LIF must not be reduced by the excess unless the payment is attributable to incorrect information provided by the owner.

Information to be provided annually by financial institution

14. At the beginning of each fiscal year, a financial institution providing a LIF must provide all of the following information to an owner about their LIF:
    a) with respect to the previous fiscal year:

       i) how the owner may apply for temporary income to be paid to them after they turn 55 years old, and
       ii) a statement that payment of temporary income will reduce the income that would otherwise be paid to the owner after age 65;
    f) a statement that the maximum amount of income that may be paid to the owner during the fiscal year will not be increased if assets held in another LIF during the year are transferred to the LIF;
    g) if the beginning of the fiscal year is later than the beginning of the calendar year, a statement as to whether any sums deposited were held in another LIF during the year, and the amount of those deposits;
    h) a statement that if the owner wishes to transfer the balance of the LIF, in whole or in part, and still receive the income determined for the fiscal year from the LIF, then an amount must be retained in the LIF that is at least equal to the difference between the income determined for the fiscal year and the income already received from the LIF since the beginning of the fiscal year;
    i) a statement that if the owner dies before the balance in the LIF is used to purchase a life annuity contract or is transferred under Section 15 of this Schedule, then the financial institution must provide the owner's spouse or beneficiary or the personal representative of their estate with the information in clauses (a) and (b), determined as of the date the owner died;
    j) a statement that if the balance of the LIF is transferred to another financial institution or used to purchase a life annuity, then the financial institution must provide the owner the information in clauses (a) and (b), determined as of the date of the transfer or annuity purchase;

10. The fiscal year of the LIF shall end on December 31 of each year and must not exceed 12 months.

Periodic Payments out of the LIF

10.1. (1) Payments out of a LIF must begin:
   (a) no earlier than the earliest date on which the Former Member is entitled to receive a pension under any pension plan from which money was transferred into the LIF directly or indirectly; and
   (b) no later than the end of the second fiscal year of the LIF; but
   (c) despite paragraph 10.1(1)(a) of this Addendum, payments out of the LIF must begin no earlier than the date on which the Annuitant reaches 55 years of age, if none of the money in the LIF is derived, directly or indirectly, from a pension benefit provided in respect of any employment of the Annuitant.

   (2) Every fiscal year, the Annuitant must give instructions to the Trustee specifying the amount to be paid out of the LIF (LIF payment instructions). LIF payment instructions are to be provided and payments are to be made in accordance with the Declaration of Trust. The LIF payment instructions must be given within a reasonable time prior to the beginning of the fiscal year to which they relate. The LIF payment instructions expire at the end of the fiscal year to which they relate. However, if the Trustee does not receive renewed LIF payment instructions from the Annuitant for the next fiscal year, the Trustee will pay the minimum amount for that fiscal year or, at the Trustee's sole discretion, continue to act on the most recent LIF payment instructions received from the Annuitant as if they were still effective, so long as the payment amount is at or above the required minimum for the fiscal year. If the Annuitant instructs the Trustee to pay an amount below the required minimum amount for the fiscal year or if the Trustee receives no LIF payment instructions at any time from the Annuitant, the minimum amount prescribed for a registered retirement income fund (RRIF) under the Tax Act will be paid.

   (3) The amount of income paid during a fiscal year out of a LIF must not exceed the greatest of the following amounts:
   (a) The investment earnings, including any unrealized capital gains or losses, of the LIF in the previous fiscal year.
   (b) If the money in the LIF (the "receiving fund") is derived from money transferred directly from another life income fund (whether governed by Schedule 1 or 1.1 of the Regulation) or a LRIF (the "transferring fund"), and if the income is being paid out of the receiving fund in the fiscal year following the fiscal year in which the receiving fund is established, the sum of,
      i. the investment earnings, including any unrealized capital gains or losses, of the transferring fund in the previous fiscal year, and
      ii. the investment earnings, including any unrealized capital gains or losses, of the receiving fund in the previous fiscal year.
   (c) The amount calculated using the formula,
      C / F
      in which,
      "C" is the value of the assets in the LIF at the beginning of the fiscal year, and
      "F" is the present value, at the beginning of the fiscal year, of an annuity of $1 payable annually in advance over the period commencing at the beginning of the fiscal year and ending on December 31 of the year in which the Annuitant reaches 90 years of age.

   (4) The following interest rate assumptions are to be used to determine the amount "F" in paragraph 10.1(3)(c) of this Addendum:
   (a) The interest rate for each of the first 15 fiscal years of the period referred to in the definition of "F" is the greater of 6 per cent and the nominal rate of interest on long-term bonds issued by the Government of Canada for November of the year before the beginning of the fiscal year, as determined from the Canadian Socio-Economic Information Management System (CANSIM) series V122487 compiled by Statistics Canada and available on the website maintained by the Bank of Canada.
   (b) For the sixteenth and each subsequent fiscal year of the period referred to in the definition of "F", the interest rate is 6 per cent.

   (5) Despite subsection 10.1(3) of this Addendum, if any money in the LIF is derived from money transferred directly or indirectly from another life income fund (whether governed by Schedule 1 or Schedule 1.1 of the Regulation) or a LRIF, the maximum amount that may be paid out of the LIF in the fiscal year in which the money is transferred into the LIF is zero.

   (6) If the initial fiscal year of the LIF is not 12 months long, the maximum amount determined under paragraph 10.1(3)(c) of this Addendum shall be adjusted in proportion to the number of months in that fiscal year divided by 12, with any part of an incomplete month counting as one month.

   (7) The amount of income paid out of the LIF during a fiscal year must not be less than the minimum amount prescribed for a RRIF under the Tax Act.

   (8) If the minimum amount specified in subsection 10.1(7) of this Addendum is greater than the maximum amount determined under subsections 10.1(3), 10.1(5) and 10.1(6), the minimum amount must be paid out of the LIF during the fiscal year.

   (9) Section 10.1 of this Addendum shall not be construed to prevent or limit a payment from the LIF that is permitted under sections 9, 13, 14, 15, 16, 17, 18, 19 or 20 of this Addendum or under section 22.2 of the Regulation.

Transferring Assets from the LIF (including transfers in cases of spousal relationship breakdown):

11. (1) The Annuitant may transfer any or all of the assets in the LIF
   (a) to another LIF; or
   (b) to purchase an immediate life annuity that meets the requirements of section 22 of the Regulation.

   (2) The Trustee will make the transfer described in subsection 11(1) of this Addendum within 30 days after receiving the transfer request from the Annuitant. This does not apply with respect to the transfer of assets held as securities whose term of investment extends beyond the 30-day period.

   (3) If assets in the LIF consist of identifiable and transferable securities, the Trustee may transfer the securities with the consent of the Annuitant.

   (3.1) The value of the assets in the LIF may be subject to division in accordance with the terms of an order under the *Family Law Act* (Ontario), a family arbitration award or a domestic contract.

   (3.2) An order under Part I (Family Property) of the *Family Law Act* (Ontario), a family arbitration award or a domestic contract is not effective to the extent that it purports to entitle a Spouse or former Spouse of the Annuitant to transfer a lump sum that exceeds 50 per cent of the assets in the LIF, determined as of the family law valuation date.

   (4) For a life annuity referred to in paragraph 11(1)(b) of this Addendum,
   (a) A determination as to whether the Annuitant has a Spouse is to be made on the date an immediate life annuity is purchased.
   (b) Payments under a life annuity may be subject to division in accordance with the terms of an order under the *Family Law Act* (Ontario), a family arbitration award or a domestic contract.
   (c) An order under Part I (Family Property) of the *Family Law Act* (Ontario), a family arbitration award or a domestic contract is not effective to the extent that it purports to entitle a Spouse or former Spouse of the Annuitant to a share that exceeds 50 per cent of the payments under the life annuity, determined as of the family law valuation date.
   (d) A life annuity cannot differentiate on the basis of the sex of the beneficiary if the commuted value of the pension benefit that was transferred into the LIF was determined in a manner that did not differentiate on the basis of sex.

   (5) The Trustee shall not make a transfer described in subsection 11(1) of this Addendum except where,
   (a) the transfer is permitted under the Act and the Regulation; and
   (b) the transferee agrees to administer the amount transferred in accordance with the Act and the Regulation.

   (6) The Trustee must advise the transferee in writing that the amount transferred must be administered in accordance with the Act and the Regulation.

Quebec Life Income Fund (LIF) Addendum ("Addendum")

For locked-in pension transfers to a life income fund (LIF) pursuant to the *Supplemental Pension Plans Act* (Québec)

Upon receipt of locked-in pension assets pursuant to the *Supplemental Pension Plans Act* (Québec), B2B Trustco and the Annuitant agree, further to the Retirement Income Fund Declaration of Trust and the Locking-in Supplement for a LIF, RLIF, PRIF or LRIF that form part of this B2B Bank Financial Services Inc. Account Application, as follows:

1. **Pension Legislation**. For the purposes of this Addendum, the word "Act" means the *Supplemental Pension Plans Act* (Québec) and the word "Regulation" means the *Regulation Respecting Supplemental Pension Plans* made under the Act, as they may be amended from time to time.
2. **Definitions**. All terms in this Addendum which are used in the Act or Regulation have the same meaning as under the Act or the Regulation. All terms in this Addendum which are used in the B2B Bank Financial Services Inc. Account Application ("**Application**") of which this Addendum forms a part, including but not limited to the Retirement Income Fund Declaration of Trust ("**RIF Declaration of Trust**") and the Locking-in Supplement for a LIF, RLIF, PRIF or LRIF ("**LIF Locking-in Supplement**"), have the same meaning as under the Application. In this Addendum, "Carrier" means B2B Trustco, "Plan" has the same meaning given to "your Plan" in the RIF Declaration of Trust and "Annuitant" means the applicant/annuitant as defined under the Declaration of Trust and the Application.
3. **Compliance**. The Plan shall at all times comply with the provisions of the Act, the Regulation, and the *Income Tax Act* (Canada) with respect to retirement savings plans. This Addendum forms part of the RIF Declaration of Trust.
4. **Precedence**. This Addendum is to be read together with the LIF Locking-in Supplement that forms part of the Application. In the event that any provision of the LIF Locking-in Supplement, the RIF Declaration of Trust, or any other part of this Application conflict or are incompatible with this Addendum, the provisions of this Addendum shall prevail to the extent necessary to resolve the conflict or incompatibility.
5. **Spouse**. Notwithstanding anything to the contrary contained in the Plan, the RIF Declaration of Trust, the LIF Locking-in Supplement, any part of the Application, this Addendum or any endorsements forming a part thereof,
    (a) for the purposes of the Plan, the word "spouse" has the meaning given by section 85 of the Act, and
    (b) for the purposes of any provision of the *Income Tax Act* (Canada) respecting registered retirement savings plans, "spouse" does not include any person who is not recognized as a spouse or common-law partner under the *Income Tax Act* (Canada).

    Spousal status is established on the day on which payment of the pension of the Annuitant, referred to in section 13 hereof, begins or on the day preceding the death of the Annuitant, whichever comes first.
6. **Establishment of the Plan**. The only sums that may be transferred into the Plan are the sums originating, directly or initially, from one or more of the following:
    (a) A supplemental pension plan governed by the Act or an act emanating from a legislative authority other than the Parliament of Quebec and granting entitlement to a deferred pension;
    (b) a supplemental pension plan established by an act emanating from the Parliament of Québec or from another legislative authority;
    (c) the locked-in account of a voluntary retirement savings plan ("**VRSP**") governed by the *Voluntary Retirement Savings Plans Act* (Québec);
    (d) the locked-in account of an equivalent VRSP governed by an act emanating from a legislative authority other than the Parliament of Québec, provided the member joins that plan as part of his employment;
    (e) a life income fund referred to in section 18 of the Regulation;
    (f) a locked-in retirement account referred to in section 29 of the Regulation;
    (g) an annuity contract referred to in section 30 of the Regulation.

    Any transfer into the Plan must be on a tax deferred basis under the *Income Tax Act* (Canada).
7. **Fiscal Year**. The fiscal year of the Plan must end on 31 December of each year and may not exceed 12 months.
8. **Payment**.

    8.1 The amount of the income paid during a fiscal year must, subject to the Minimum Amount referred to in subparagraph 8.2 and, if applicable, the Maximum Amount referred to in subparagraph 8.3 of this Addendum, be set by the Annuitant each year.

    8.2 The amount of the income paid from the Plan during the fiscal year may not be less than the minimum amount ("the **Minimum Amount**") prescribed by the *Income Tax Act* (Canada), determined on the basis of the Annuitant's age. That amount may be determined on the basis of the age of the Annuitant's spouse where he or she is younger than the Annuitant. If for any reason the Maximum Amount is less than the Minimum Amount, the Minimum Amount shall prevail.

    8.3 The amount of income paid from the Plan to an Annuitant under 55 years of age during a fiscal year of the Plan may not exceed the amount "M" (the "**Maximum Amount**") in the following formula:

    M = A + E, where

    "**A**" represents the maximum temporary income for the fiscal year determined in accordance with section 20.5 of the Regulation or, if no amount was determined, the figure zero; and
    "**E**" represents the maximum income determined in accordance with the following formula:

    E = (F x C) – A, where

    "**F**" represents the rate prescribed for a year, established in accordance with section 21 of the Regulation;
    "**C**" represents the balance of the Plan at the beginning of the fiscal year, increased by any sums transferred to the Plan after that date and reduced by any sums originating directly or not during the same year from a life income fund of the Annuitant or from a supplemental pension plan that offers variable benefits referred to in subdivision 3 of Division II.1 of the Regulation;
    The amount "E" may not be less than zero.
9. **Prescribed Rate.** The prescribed rate mentioned in F of paragraph 8 of this Addendum will be determined on the basis of the month-end, nominal interest rate earned on long-term bonds issued by the Government of Canada for the month of November preceding the beginning of the fiscal year, as compiled by Statistics Canada and published in the Bank of Canada Banking and Financial Statistics, Series V122487 in the CANSIM system, by applying successively to that rate the following adjustments:
    (a) the conversion of the interest rate, based on interest compounded semi-annually, to an effective annual interest rate;
    (b) an increase of 2.75% of the effective interest rate;
    (c) the rounding of the effective interest rate to the nearest multiple of 0.25%.
10. **Default Payment Option** (Annuitant 55 years old or over**).** If the Annuitant: (i) elected to receive the maximum income payment for the preceding year; and (ii) is currently 54 years of age and turning 55 during the fiscal year, the Annuitant will continue to receive their current maximum income, as an elected payment, for the entire fiscal year. Nonetheless, if the Annuitant provides written instructions to the Trustee to pay a different amount from or after their 55th birthday, then that amount will be applied. For the following fiscal year, when the Annuitant has turned 55 years of age, if the Annuitant did not provide written instructions to the Trustee to change their maximum income amount, the amount of income payable from the Plan will automatically be updated to the estimated life income amount determined based on the formula set out in paragraph 11. The estimated life income amount will be recalculated and updated yearly. Such payment could therefore vary from year to year, and the amount may vary due to withdrawals made and returns throughout the year.
    For greater certainty, the foregoing will only apply if the Annuitant does not provide written instruction to the Trustee regarding the payments to be made once they reach age 55. As soon as the Annuitant reaches 55 years of age during the fiscal year, they may elect to be paid all or part of the balance of the Plan in one or more instalments unless the term of the investments has not expired. Such Annuitant can make the request to the Trustee at any time in the fiscal year during which they reach age 55 and such payment is to be made regardless of the amount of income or temporary income received by the Annuitant for the fiscal year.
11. **Estimated Life Income Amount** (Annuitant 55 years old or over)**.**
    The estimated amount of life income that may be provided with the Plan to the Annuitant who is 55 years old or over is equal to "N" in the following formula:

Quebec Life Income Fund (LIF) Addendum ("Addendum") (continued)

D/T = N, where

"**D**" represents the balance of the fund on the date of the estimate;
"**T**" represents the commuted value, at the beginning of the fiscal Year of the fund, of the annual retirement pension of $1, payable on 1 January of each year included in the period from the beginning of the fiscal year to 31 December of the year in which the Annuitant reaches 95 years of age; that value is determined on the basis of the month-end, nominal interest rate earned on long-term bonds issued by the Government of Canada for the month of November preceding the beginning of the Fiscal Year, as compiled monthly by Statistics Canada and published in the Bank of Canada Banking and Financial Statistics, Series V122487 in the CANSIM system, by applying successively to that rate the following adjustments:
(1) the conversion of the interest rate referred to in element "T", based on interest compounded semi-annually, to an effective annual interest rate;
(2) an increase of 1.10% of the effective interest rate;
(3) the rounding of the effective interest rate to the nearest multiple of 0.25%.
The amount "N" may not be lower than the lower limit determined in accordance with the Regulation.
For Annuitant aged 95 years or over, element "T" is equal to 1.
Despite the estimated amount of life income determined above, all or part of the balance of the Plan may, unless the term of the investments has not expired, be paid in one or more instalments, on request to the Trustee made at any time for the current fiscal year and such payment is made, as applicable, regardless of the amount of the life income or of the payment in one or more instalments determined or received by the Annuitant for the fiscal year. The amount is an estimate, and it may vary because of withdrawals made and returns on the Plan.

12. **Right to a Temporary Income for an Annuitant under Age 55**. An Annuitant who is less than 55 years of age at the time of the application may receive, during a given fiscal year, all or part of the balance in the Plan in the form of a temporary income payable in monthly payments, none of which may exceed one-twelfth (1/12) of the difference between the following amounts:
None of the monthly payments may exceed one twelfth of the difference between the following amounts:
(1) 50% of the Maximum Pensionable Earnings determined, for the year in which payment is made, pursuant to the Act respecting the Québec Pension Plan;
(2) 100% of the Annuitant's income for the twelve (12) months that follow, excluding the temporary income payable by the Plan for the year in which payment is made.
and the following conditions apply:
The income of the Annuitant for the 12 months that follow, excluding the income provided for in section 19.2 or the Regulation, may not exceed the amount set out in subparagraph 1 above.
The Annuitant must present to the Trustee an application to this effect, accompanied with a declaration in conformity with the one prescribed in Schedule 0.5 of the Regulation and the Annuitant's written undertaking to request a suspension of payments as soon as the Annuitant's income, excluding the income paid by the Plan, reaches the amount set out in subparagraph 1 above.
Temporary income may not be paid to the Annuitant where the Annuitant has requested a suspension of payments nor after the end of the year in which the Annuitant reaches 55 years of age.
Annuitant who is entitled to receive the income referred to in section 19.2 of the Regulation and who is a member or spouse who has become entitled to a pension under a supplemental pension plan may, for the purposes of replacing such pension by a temporary income, apply once a year for the transfer from the pension plan to the Fund of an amount equal to the lesser of the following amounts:
Annuitant who is entitled to receive the income referred to in section 19.2 of the Regulation and who is a member or spouse who has become entitled to a pension under a supplemental pension plan may, for the purposes of replacing such pension by a temporary income, apply once a year for the transfer from the pension plan to the Fund of an amount equal to the lesser of the following amounts:
i) the additional amount required for the balance of the Fund to allow, until the end of the year, the payment of the monthly payments provided for in the first paragraph of section 19.2 of the Regulation, and
ii) the value of the Annuitant's benefits under the plan.

13. **Conversion to Life Pension**. Except as otherwise provided in this Addendum, all or part of the balance of the Plan may be converted into a life pension guaranteed by an insurer and established for the duration of the life of the Annuitant only upon the following conditions:
(a) the insurer guarantees payment of that pension in periodic, equal amounts that may not vary unless each of them is uniformly increased in accordance with an index or rate provided for in the annuity contract that conforms with the adjustments permitted by the *Income Tax Act* (Canada) or uniformly adjusted by reason of a seizure effected on the Annuitant's benefits, a redetermination of the Annuitant's pension, a partition of the Annuitant's benefits in favour of his spouse, the payment of a temporary pension in accordance with the conditions provided for in section 91.1 of the Act or the option provided for in subparagraph 3 of the first paragraph of section 93 of the Act, and
(b) in the event of the death of an Annuitant who is a former member or a member, the insurer guarantees to the Annuitant's spouse who has not waived it a life pension equal to at least 60% of the amount of Annuitant's pension, including, during the replacement period, the amount of any temporary pension.
14. **Death of Annuitant**. Where the Annuitant who is a former member or a member dies before conversion of the total balance of the Plan into a life pension, his or her spouse or, failing that, his or her successors are, entitled to a benefit of which the amount is equal to the balance.
15. **Waiver of Death Benefits or Joint Life Pension**. The spouse of the Annuitant who is a former member or beneficiary may, by giving notice in writing to the Carrier, waive his or her entitlement to receive the pension benefit provided for in paragraph 14 above or the life pension provided for in subparagraph 13(b) of this Addendum and may, in the case of the pension benefit, revoke such a waiver by giving notice in writing to the Carrier to that effect before the death of the Annuitant and, in the case of the life pension, before the date of conversion, in whole or in part, of the life income fund.
16. **Marital Breakdown**. The spouse of the Annuitant who is a former member or a member ceases to be entitled to the pension benefit provided for in subparagraph 13(b) of this Addendum upon separation from bed and board, divorce, nullity of marriage, nullity or dissolution of a civil union or, in the case of a spouse who is not a married or civil union spouse, upon cessation of the conjugal relationship, unless the Annuitant has transmitted to the Carrier the notice provided for in section 89 of the Act.
17. **Seizure for Unpaid Alimony**. The seizable portion of the balance of the Plan may be paid in a lump sum in execution of a judgment rendered in favour of the Annuitant's spouse that gives entitlement to a seizure for unpaid alimony. An amount payable pursuant to such a judgment is to be paid to the spouse upon receipt of proper documentation by the Carrier, regardless of the term of any investment. The Annuitant will have no further claim or entitlement to any pension respecting the amount paid and the Carrier is not liable to any person by reason of having made payment pursuant to such seizure.
18. **Transfers Out of the Plan**. The Annuitant may transfer, at any time before the conversion of the total balance of the Plan into a life pension as provided under paragraph 13 of this Addendum, all or part of the balance of the Plan into:
(a) a supplemental pension plan governed by the Act or an act emanating from a legislative authority other than the Parliament of Québec and granting entitlement to a deferred pension;
(b) a supplemental pension plan established by an act emanating from the Parliament of Québec or from another legislative authority;
(c) a locked-in account of a voluntary retirement savings plan ("**VRSP**") governed by the *Voluntary Retirement Savings Plans Act* (Québec);
(d) a locked-in account an equivalent VRSP governed by an act emanating from a legislative authority other than the Parliament of Québec, provided the member joins that plan as part of his employment;
(e) a life income fund referred to in section 18 of the Regulation;
(f) a locked-in retirement account referred to in section 29 of the Regulation; or
(g) an annuity contract referred to in section 30 of the Regulation, unless the agreed to term of the investments has not expired. The transfer may, at the option of the Carrier and unless otherwise stipulated, be effected by remittance of the investment securities held in the Plan. Any transfer out of the Plan must be on a tax deferred basis under the *Income Tax Act* (Canada).
No amount payable from the Fund may be transferred to a registered retirement savings plan, a registered retirement income fund or the non locked-in account of a voluntary retirement savings plan governed by the Voluntary Retirement Savings Plans Act (Quebec).
19. **Valuation of the Plan**. On any given day, the value of the Plan will be determined based on the value of the assets held in the Plan at the close of business on that day net of any fees or expenses properly chargeable to the Plan.
20. **Statements**. The Plan Carrier will provide account statements containing the information required by sections 24 to 26 of the Regulation at the times prescribed therein.
21. **Carrier's Responsibility**. If the income paid to the Annuitant during a fiscal year of the fund exceeds the maximum amount that may be paid to him or her in accordance with the provisions of the contract or the Regulation, the Annuitant may, unless the payment is attributable to a false declaration by him or her, require that the Carrier pay him or her, as a penalty, a sum equal to the surplus income paid. Should the Carrier provide or be required to make a payment to the Annuitant pursuant to this paragraph 21, the Annuitant or the Planholder's heirs and/or legal representatives will indemnify and hold harmless the Carrier to the extent that assets of the Plan were received by or accrued to the benefit of any recipient.
22. **Amendments**. The Carrier may not make any amendment that would have the effect of reducing benefits under the contract unless, before the date of the amendment, the Annuitant has the right to transfer the balance of the Plan and receives, not less than 90 days before the date on which he or she may exercise that right, a notice indicating the nature of the amendment and the date from which he or she may exercise that right. The transfer may, at the option of the Carrier and unless otherwise stipulated, be effected by remittance of the investment securities held in the Plan. The Carrier may not, except to fulfil requirements under law, make any amendment other than that provided for in this paragraph 22 without having previously notified the Annuitant.
The Carrier may amend the agreement only to the extent that it remains in conformity with the standard contract amended and registered with Retraite Québec.
23. **Assignment and Seizure**. Subject to splitting between the Annuitant and his or her spouse in accordance with a judgment rendered under the provisions of the *Civil Code of Québec* or unless otherwise provided by the Act, the Regulation, this Addendum or other law, the following amounts may not be assigned in whole or in part, charged, alienated, anticipated, given as security or subjected to execution, seizure or attachment:
(a) any amounts transferred into the Plan under paragraph 6 of this Addendum, with accrued interest;
(b) any amounts transferred to the Plan of a spouse which were awarded to the spouse following partition or any other transfer of benefits effected pursuant to Chapter VIII of the Act, with accrued interest, and the benefits deriving from such amounts; and
(c) all amounts refunded or pension benefits paid under the Plan or the Act,
and any transaction purporting to do so is void, except insofar as such amounts derive from additional voluntary contributions or represent a portion of the surplus assets allocated after termination of a pension plan.
24. **Investments**. Assets in the Plan shall be invested in accordance with the provisions of the RIF Declaration of Trust to which this Addendum is attached.
25. **All Payments**. All transfers and other payments under this Addendum (except a payment under paragraph 17) are subject to the terms of the investments under the Plan and are subject to the withholding of any applicable tax and the deduction of all proper expenses and charges.
26. **Headings and Renumbering**. Headings in this Addendum are for ease of reference only and do not affect its interpretation. If any provision of the Pension Legislation or income tax legislation referred to in this Addendum is renumbered due to a change in law, then that reference is considered to be updated to reflect the renumbering.

Only the information necessary to discuss the concerns about you and assist you may be disclosed to your Trusted Contact Person(s). This could include, but is not limited, to medical information, details of your personal life, financial holdings and transactions.

A temporary hold on transactions may be placed by the dealer or advisor for the time that is necessary to address the situation and concerns about you. You will be notified if such a hold is placed.

Only you may revoke this consent or change your Trusted Contact Person(s) at any time by notifying in writing the dealer or advisor.

Your Trusted Contact Person(s) cannot execute any transactions, make any financial decisions or act on your behalf.

The dealer or advisor may contact your Trusted Contact Person(s) should one of the situations mentioned in the Trusted Contact Person Information section in this Application form occur, but they are not legally obligated to do so and cannot be held in any way responsible for not doing so.

The following terms and conditions (the "Terms and Conditions") apply to all Deposits. Throughout these Terms and Conditions, "you" and "your" means you as the depositor and/or co-depositor(s) and "we", "us" and "our" means B2B Bank or B2B Trustco. (a) **Deposits**
The principal amount of the Deposit shall be held or invested by B2B Bank and/or any of its affiliates (including their respective successors and assigns).

(b) **Interest Calculation and Payment**

(i) **Cash Deposit(s) and Non-Term Deposits(s)**
We agree to pay you interest monthly on the day following and for the period which has elapsed since and including the date on which interest was last paid (in the case of a Cash Deposit(s) provided that any interest is payable according to the deposit rates posted on our website). Interest is calculated daily and is based upon the daily closing balance of your Cash Deposit(s) and Non-Term Deposit(s) at a rate of interest as set by us from time to time. All interest payable shall be deposited into the same Cash Deposit(s) and Non-Term Deposit(s) in respect of which the interest was earned and shall thereafter be considered as principal.

(ii) **Term Deposit(s)**
The interest rate of your Term Deposit(s) depends on the term and interest paying option selected by you. The interest rate applicable to your Term Deposit(s) is the posted rate on the day we receive your completed Application and money. Interest is calculated on the principal balance of your Term Deposit(s) for the number of days in the term on the basis of a year of 365 days. Interest on your Term Deposit(s) of less than two years is paid at maturity and interest on your Term Deposit(s) of two years or more is either paid annually, semi-annually, quarterly, monthly or compounded annually and paid at maturity, as selected by you. Interest ceases at maturity.

(c) **Guaranteed Repayment**
We guarantee you the repayment of all principal sums of your Deposit, together with any interest that is due and payable, subject to section (d). In consideration of our guarantee and by way of remuneration for administering the Deposit, we shall be entitled to retain for our own use the interest and profits resulting from any investment of the principal in excess of the amount of any interest payable to you.

(d) **Access to your Deposit**

(i) **Deposits:** You may deposit to (purchase in the case of a Term Deposit) your Deposit with notice to us.

(ii) **Hold on Funds:** We reserve the right to hold moneys from any cheque or other payment instrument including pre-authorized debits credited to your Deposit for the purpose of verifying that sufficient funds are available to pay the item and for any other purpose permitted by law.

(iii) **Withdrawals:** You may withdraw your Deposit (except in the case of a Term Deposit) with notice to us. For withdrawals above certain dollar thresholds determined by us from time to time, your signature on your withdrawal request must be guaranteed by one of a bank, trust company, member of a recognized stock exchange or any other organization satisfactory to us. Transactions including withdrawals may be limited in dollar amounts or frequency, or otherwise as may be determined by us, and such limits may be changed in our sole discretion without notice to you. Term Deposits may be withdrawn only at maturity. The principal balance of your Term Deposit will be repaid at maturity and may not be withdrawn by you prior to maturity.

(e) **Commission and Fees**
We may pay your Dealer a commission on your Deposit. This is a trailing commission for Non-Term Deposit(s) based on the daily closing balance of your Non-Term Deposit(s), and an upfront commission paid on the principal balance of a Term Deposit at the time of purchase. For a Cash Deposit(s), we may pay your account administrator a fee no greater than the amount which is the difference in the interest rate between our prime rate of interest (which is variable, subject to fluctuation and posted on b2bbank.com) and the effective rate of interest (if any) applicable to your Cash Deposit(s), calculated on the balance of your Cash Deposit(s) on a daily basis. The maximum commissions and fees referenced above may change from time to time on notice to you.

(f) **Eligible Plans or Accounts**
Your Deposit must be held within such plans or accounts that we, in our sole discretion, may permit from time to time ("Eligible Deposits").

(g) **Joint and Several**
All of you are jointly and severally liable to us for any debts, liabilities and obligations arising in connection with the Deposit if held jointly or by tenants in common (if available).

- Any failure, error, malfunction or inaccessibility of any systems or equipment, or for errors, delays or failures in performance or non-completion of a transaction or service;
- Any damages resulting from our negligence or the negligence of our employees, agents or representatives, even if we knew that damage was likely;
