

Why Choose B2B Bank?

At B2B Bank we pride ourselves on providing mortgage products that help meet your clients' needs. With a wide range of financing options for a variety of borrower types, B2B Bank offers both traditional and non-traditional mortgage solutions.

Here's a quick overview of what makes B2B Bank a great option for you and your clients, who to contact when you're ready and how to submit your deals to us.

What makes us stand out?

- No back-end insurance on conventional deals
- HELOC/HOK (Home Owner's Kit)
- 35-year amortization at 80% LTV or less
- Rental "Wash Out" for non-subject rentals
- Insured and conventional BFS stated income solution
- Business for self rentals
- BFS expanded program (business bank statement qualification)
- Equity 50

Who to speak with about B2B Bank mortgage products

Speak with a Business Development Manager (BDM) to learn more about our mortgages. Find the BDM in your area by using our BDM locator tool at b2bbank.com/contacts/mortgage-broker-support.
