As a participant in the B2B Bank Investment Loan Program offered through my/our Financial Advisor for the purchase of eligible funds from B2B Bank alliances, this credit is being granted to me/us with a reduction on the B2B Bank Standard Loan Program Rate for similar loan type and amount as indicated above. However, this rate is subject to the respect of the B2B Bank Investment Loan Program conditions and the maintenance of eligible fund units from B2B Bank alliances held in my/our Pledged Account, as the only collateral guarantee of the Loan.

Should I/we i) be in default of any of the Loan conditions or ii) pledge funds other than eligible B2B Bank alliance funds, the B2B Bank Select Loan Program interest rate will be cancelled. The rate in effect will then be the B2B Bank Standard Loan Program Rate as indicated above.

I/we acknowledge having read the present Letter of Privilege and agree to its terms.
