

Apply online with EASE

At B2B Bank, we're committed to providing products and services that meet the needs of our clients — valued advisors like you. That's why we've created EASE, our Electronic Application Submission Entry system, where you can quickly and easily enter, save, print, submit and track all the way to funding, investment, RSP and TFSA loan applications on behalf of your clients.

Enjoy the many benefits of EASE

- **Save time** with straightforward navigation and pre-populated forms.
- **Reduce paperwork and avoid delays** arising from missing information or unclear handwriting on paper applications.
- **Validate eligibility of funds to be pledged** by using our Validate Fund Collateral Eligibility option.
- **Receive an application status** email within seconds of submitting an application.
- **Track and monitor** the status of your clients' loan applications.
- **Generate** several types of reports to help you manage your business.
- **Process all your loan applications online**, including Distribution Alliance Loans, in one EASE location at b2bbank.com/EASE.

A variety of loan programs are available on EASE

- **B2B Bank Standard Loan Program** — Available for mutual fund investment loans, RSP and TFSA loans. For investment loans, this program allows for eligible multi-fund investments, with the largest variety of mutual funds, on one application at standard rates. For RSP loans, proceeds may be deposited to a B2B Bank Dealer Services RRSP account or to a B2B Bank RRSP-GIC account. For TFSA loans, proceeds are deposited to a B2B Bank Dealer Services TFSA.
- **B2B Bank Select Loan Program** — This program is available for mutual fund investment loans only. Offer your clients better rates, greater portfolio diversification and receive discounted pricing.
- **B2B Bank Distribution Alliance Loan Program** — Available for mutual and segregated fund investment loans, RSP and TFSA loans. For investment loans, apply for loans at preferred Distribution Alliance rates. Collateral must remain within the same family of eligible funds offered by one Distribution Alliance. For RSP loans, proceeds are forwarded to the Distribution Alliance for deposit into the borrower's registered account. For TFSA loans, proceeds are forwarded to the Distribution Alliance for deposit into the borrower's TFSA.
